

# MSSA

Missouri State Skeet Association

# NEWSLETTER

Editor: R.J. Monroe

February 1982

As the new editor of the State Newsletter and speaking in behalf of the members of the State Association, I would like to express my sincere appreciation to Bill Kalkbrenner for the super job he has done in the past as editor. I will attempt to use the same format in bringing information to the Skeet Shooters of Missouri. The intention is to report past shoots and other happenings of interest to our group and announce up coming events. I hope to have enough news to publish a newsletter every other month until Oct. 1982., and that will depend a lot on receipt of club reports, special interest shoots, and any other news items that we would all like to hear about. We all have a common interest: SKEET! Going to shoots, shooting, visiting clubs, having shoot-offs, etc. are all of interest and we would like to hear about them. Please send your news items and anything else you would like to see printed to:

R.J. Monroe  
Rt #1 Box 102 A.  
Bonne Terre, Mo. 63628

I will expect to hear something from each club and something from each State Director, to publish in each newsletter. Also, if there is a special program connected with a shoot, (fish fry, barbecue, beer blast, follow-the-leader shoot, or whatever) tell us about it by sending the information to me. This is not a median for advertising, but anything that will promote skeet shooting in Missouri is of interest to all of us. Registered skeet shooting is our interest, but we all know it starts with practice, learning programs, leagues, and other non-registered events. So if you have planned anything that will promote skeet shooting, we will get word to the readers through this Newsletter. Just drop me a line and let me know. Since this is my first mailing, I would appreciate your checking the spelling of names and addresses on the mailing labels and let me know of any corrections that are necessary. If a household receives two Newsletters and needs only one, or vice-versa, let me know.

Thanks again to Bill and his staff and to all those who sent him information to print, it was a job well done.

RJM

## "AWARDS BANQUET"

As previously announced, the Awards Banquet will be held the evening of March 5th, at Mr. Yac's Restaurant on Dunn Road, in North St. Louis County. Starting time is 7 PM and there will be room for all. Reservations are necessary and you must reply to John Spurgeon by sending your check for \$15.00 per person or \$29.99 per couple no later than February 28th. John must pay for the group on March 1st, so the deadline is important. His address is P.O. Box 126, Hazelwood, Mo. 63042. The price includes Mr. Yac's fantastic Buffett, and all drinks. (Bargain!)

In addition to making award presentations to the 1981 Mo. State Skeet Team Members, some special people will be honored for their contributions to the promotion of skeet shooting in Missouri in the past. They have helped by giving of their time, support and participation not only in shooting, but putting together shoots and making them work. They have played an important part in making Missouri Shooting what it is today. Please attend the Awards Banquet and help us recognize Betty Bodge, Karla and Ed Roberts, and Lola Cooper, for all they have given us.

---

After the Banquet on Friday Nite, March 5th, what could be more appropriate than the first 4 gun registered shoot in Missouri for 1982??? Bridgeton is the place, and John and Hal announced they will throw \$14.00 targets (plus daily fees) and offer options of 50's, Oklahoma, and class purse. Because the people of the Bridgeton Club are joining with all State Clubs in trying to stimulate skeet shooting this year, they are going to give a free fish fry for this shoot. It will be Saturday afternoon, so now is the chance to shoot cheap targets and get a free feast on the Bridgeton Gun Club.

---

Our beloved State Director and Shoot writer upper and my two man team partner, Bruce Moreland, has this information for shooters. If you shoot new 410 skeet loads in registered shoots, don't shoot AA shells. They have 14 to 17 less shot than is allowed for a 1/2 oz load. Other new loads are closer to the maximum limits, thus giving you a better chance at breaking targets. Bruce averaged .8644 on 2750 410 targets during 1981 so his theory is notable. I put this in print for all those toes that were stepped on in Bruce's 1981 shoot reports. HA HA.

RJM

### NEW SHOOTERS-SOMETHING FOR YOU!!!

If you have not shot registered targets prior to the 1982 skeet year, you may win one of three trophies to be given during the Awards Banquet held in 1983. They are being donated by three Mo. Shooters and one for each of:

1. Youngest shooter to shoot an initial string in any gauge.
2. Most registered targets during the year. (Int. and doubles inc.)
3. First new shooter to shoot a 25 straight in registered for the year.

Only one trophy per person will be given. Come on Dads and Moms, get your sons and daughters shooting this year!

## DIRECTORS MEETING

We will have a directors meeting at the Bridgeton Gun Club Sunday April 4th at 10:00 a.m. Bridgeton is having a 2 day, 4 gun shoot that weekend.

YOU ALL COME

### NATIONAL DIRECTORS TO BE ELECTED

The terms of our two National Directors, Archie Alexander and Larry Borth, will expire this year. In order to run for NSSA Director, you must submit your name to the National Association with signatures of 5 members in good standing as sponcers. This must be in prior to the April 1st deadline, and those names will appear on ballots from NSSA. In addition it is expected that NSSA directors attend the World Shoot and the Zone shoot to represent our State. If you are going to run for election as NSSA director, let me know and I'll get it published in the next MSSA Newsletter.

### STATE SHOOT PROGRAM

It's a little early, but plans are already underway for the 1982 Mo. State Shoot. The program will carry ads to help support the cost of the printing and shoot as well. Ad costs are \$50.00 for ½ page and \$100.00 for a full page. Why not get your company name in the program and help us and you at the same time? Contact John Spurgeon at 739-1000 or Paul Hartge at 962-8550 for ads and details. Personal ads are also welcome. Or how about a 5 man team splitting a ½ page ad? Thank you.

### STATE SHOOT HOA DETERMINATIONS

It has been decided that the HOA Classification be determined by the current HOA average of each shooter for the State Shoot in 1982. You must have shot initial strings during this year or prior year in all guns to have a HOA class. Your skeet card must be current and accurate. Classes are as follows:

AA	95 & over
A	93 to 94.99
B	90 to 92.99
C	86 to 89.99
D	81 to 85.99
E	80.99 & under

(3) "NOTICE"--The Skeet Teams for 1981 are based on minimum targets shot of 800 12 ga, 600 20 ga, 500 28 ga, & 500 .410. These were voted for and approved during the Directors Meeting of Jan. 1981 and appeared as record in the minutes. Even though most shooters and directors understood the minimums were not changed, the minutes read lower target requirements as noted above. The Newsletter of April 1981 showed 1000-700-600-600, but the permanent record of the meeting showed 800-600-500-500 and that shall take preference. Please note that the 1982 requirements were moved back up to 1000-700-600-600.

Based on minimum targets shot 800-600-500-500

ROOKIE OF THE YEAR: Randy Self

Awards for new team members as shown above will be given during the Awards Banquet, March 5, 1982. Honored during this Banquet will be Betty Bodge, Karla and Ed Roberts, and Lola Cooper, all of whom helped organize and promote skeet shooting in Missouri in the past. These gracious people were responsible for recruiting many of the registered shooters in Missouri, publishing Missouri's Skeet Newsletter, as well as organizing State registered shoots and Club participation. The Banquet will be held at Mr. Yacs Restaurant starting at 7:00 PM Please Help us honor those who are so deserving by being there. Reservations are being taken by John Spurgeon at 731-9000. Costs and other information about this banquet are printed on page two of this newsletter, or you may call John for more details.

ST. LOUIS SKEET AND TRAP

JIM ERNST OPEN

1-17-82

by Bruce Moreland

I'm sure every non-shooting wife understands when I say that skeet shooters stand constantly on the tightrope between sanity and insanity. On this cold blustery day of minus 22 below wind chill, 13 shooters fell off of the tightrope.

20 GA.

Gun champ to Bill Hiebert with a 97 (somehow I feel the sandbagging has started when a class A shooter shoots this well under such severe conditions)

- A to Frank Bird with a 96 (long runned Bruce for title)
- B to Forrest Garland with a 94 ( he told me it was so cold that when he called for high one - he couldn't hear himself until his words thawed out on low seven)
- C to Eileen Corbett with a fine 93 (regardless of conditions she can make that 870 sing)
- D to Pam Ellseasser with 89 (she's getting tough on Pete, young reflexes beat old ones)

12 GA.

Gun champ to Bill Hiebert with a super 99 (even more impressive when you find out he was using 7/8 oz. of shot. I was using 2 ozs. and I couldn't get close)

- A to Doug Fuller with a great 97 (always noted for his good foul weather shooting)
- B to Jim Ernst with a 93 (they named the shoot for him, he had better win something)
- C to Eileen Corbett with a 93 (2nd win for this fine lady shooter)
- D to Elmer Abarico (this is going to be his 1st full year of registered targets and I anticipate good things for him)
- E to Pete Ellseasser with an 84 (Pete told me he used to be a big man in business - he used to weigh 260 lbs)

Good time had by all - hope to see a lot of shooters this year.

STATE DUES

Individual membership dues will remain at \$5 per person for the 1982 skeet year. Dues will be collected by the shoot management at the club where you shoot your 1st targets of the year. You will be given a membership number and a sticker to be placed on your NSSA card. Or, you may send the \$5 to Missouri State Skeet Assoc., 2383 Villager Park Ct., Maryland Heights, MO 63043. Be sure to send your name, phone number, and club affiliation, and the 5 bucks. We will be updating our newsletter mailing list by the paid membership for 1982. Be sure you are on it by renewing your membership.

GUNS FOR SALE

I will offer a space to advertise skeet guns for sale privately owned by MSSA members in the future newsletters. Just send me the info on the gun, price, name and phone number, to: R.J. Monroe, Rt. #1 Box 102A, Bonne Terre, MO 63628. (This gives me first chance at them) Also any reloading equipment and supplies for sale or trade could be announced in this column. Let me hear from you! There are at least two of us who are searching for PB powder. If you can help, let me know. Thank you.

RJM

Missouri State Skeet Championships  
 August 13th, 14th, 15th, 16th  
 St. Louis Skeet & Trap

By Bruce Moreland

Sorry for the delay in getting this report to you on Missouri's most prestigious shoot. I apologize in advance for any omissions I may make. Special thanks to Lois Moreland, Patann Monroe, Pam Gieseke, Liz Elseasser, Howard Bunge, Harold Marsh, the Kalkbrenner Klan, Eileen Corbett and to each and everyone of you who participated and help make this shoot a successful one.

SPECIAL RECOGNITION AND CONGRATULATIONS TO JOHN SPURGEON WHO ~~PLD THE~~  
STATE RECORD WITH AN OUTSTANDING 499. WOULDN'T BE SURPRISED IF HE MADE  
ALL-AMERICAN NEXT YEAR!!

UNDER PENALTY OF DEATH EVERYONE WILL SHOOT A LOT OF SKEET TARGETS IN 82!

### SPECIAL SHOOT PROGRAM TO BE HELD AT BRIDGETON CLUB

There will be another one on one skeet tournament held at Bridgeton Gun Club on February 28, 1982. This is not a registered event however most participants at the last one on one were Missouri registered shooters. There will be a limit of 32 entries so sign up now. This is handicap scoring and elimination process. Let's go see if we can beat the Missouri State 12 ga. champion, Glen Ernst, who won the last one on one. It's fun and it's skeet!! Note: The Bridgeton Gun Club provides free instruction to new shooters and there are Club pros to help experienced shooters who are having problems. Let's take advantage of this offer. Call John or Hal at 731-9000 for details on the one on one shoot. Get signed up while there is still room!!

NOTES FROM FALCON II GUN CLUB  
January 22, 1982

Roy Nelson, our 1981 Club President, and 1982 Secretary-Treasurer, is in Baptist Memorial Hospital in Kansas City, recuperating from surgery, and expected home this week-end. It is not expected he will be shooting until warm weather. Best wishes Roy, and a speedy recovery!

We are saddened by the loss in the past few months of two of our loyal club members: John Polkey, Raytown, Missouri and Ford Simcox, Kansas City, Missouri.

Also, on New Year's Eve 1981, our friend and fellow skeet shooter, Tony West of Richmond, Kansas was killed in a car wreck. He was a NSSA shooter of renown and a most promising young man in that area.

May the Great Red Flag of Eternal Skeet be forever waving for them.

No registered Skeet Shoots since the last Newsletter.

Burr Moss stubbed one of his big toes coming up the front steps of his home recently and nearly pushed it back to his instep, but at this writing, it is returning to its normal condition.

Let's get this cold weather over with and get out there on those fields and start zinging those blue rocks!!

All of you who are interested in shooting International (and those who aren't) come on over to Falcon II for our February 21st 100 target International registered shoot. We'll have the coffee on and the burgers hot.

Marie Moss

WORLD SHOOT

The 1982 World Skeet Championships will be held at Savannah, Georgia during the week of July 25th. Several Missouri shooters plan to attend and the John Spurgeon group makes up one team. Bruce Moreland and R.J. Monroe are also going to shoot the entire program. If anyone is planning to attend and could possibly stand to shoot the same squad as Bruce and R.J. (two very serious shooters, as everyone knows), call Bruce at 894-3049 and we will send in reservations together.
