General Information for New Members (Reminders for returning Members)

This sheet is intended to give you a brief overview of the pool operation and the day to day routine. There is a more complete set of rules available on the website <http://www.oakwoodswimclub.com/forms-and-info.html>.

Getting started at the pool- Each time you and your family come to the pool we ask you sign in at the pool office window (facing the parking lot). Simply sign your name, member # (on your key) and note any guests with you (if any, limited to 5 swim guests per day). Guest fees are \$5 each and should be placed in one of the envelopes provided and note on the outside your name and amount included. **Completed envelopes are placed in the mailbox mounted on the wall to the left just INSIDE the office (behind door).** Guest rules and definitions are explained in more detail in the pool rules (on the website shown above).

Facilities-Members & guests are welcome to use any of the following;

- Refrigerator-please avoid long term storage
- Microwave-please cover food items
- Grill-provide your own charcoal
- Fire pit- bring your own wood and extinguish prior to leaving
- Radio-please be respectful of others
- Telephone for local calls
- Large sink inside office closet-please rinse when finished

There is a Lost & Found container outside the office.

Most of the major pizza companies and services like Delivery Dudes, deliver to the pool. The physical address is

2251 Oakwood Rd

Swim Time-The pool is open during the posted hours when the lifeguard is on duty. There is a 10 minute lifeguard break (typically 10 minutes before the hour). This a time where members and guests over 18 can have an adult swim. Children are asked to not sit on the pool edge. The wading pool is also restricted during this time to parents with small children.

If the lifeguard detects thunder or lightning the pool will be closed until 30 minutes after the last occurrence.

Pool Activities and Events-There are a number of special activities scheduled over the summer. Specifics are made available in the calendar section of our website, Facebook page (listed above), the pool bulletin board and occasional emails. We are always looking for new activities and volunteers who can help coordinate. Ideas can be shared with any board member or placed in the suggestion box. All social events are open to all members and their guests. For “sharing events” (Tex Mex, Wine & Cheese night, etc.) we ask that only those who actually provide food and drink participate in these events. There are a variety of other club events where food and drink are provided for all. There is no charge (unless noted) for any regular social activity or event. Members are welcome to host family parties, birthday parties, etc. at the pool party details are on the website <http://www.oakwoodswimclub.com/forms-and-info.html>

Common Sense-

Please see that everyone picks up after themselves.

Please see that anyone coming from the volleyball pit showers before entering the pool.

No glass containers of any kind inside the fenced area. This is a Health Department requirement

Responsible alcohol use is permitted (no glass)

No smoking, vaping or pets inside the fenced area (we do have an Aqua Dog swim day the last day of the year)

Suggestions and concerns should be directed to the suggestion box.

If you have a child who is not potty trained you are responsible for providing appropriate swim diapers. See lifeguards if you need a swim diaper.

Future Social Events

In order for the pool to provide the events and activities during the summer we need members to help. We ask that each event have 2 hosts that require a minimal effort to set up and monitor. The pool reimburses for basic out of pocket expenses (like s' mores fixings, popcorn for movie night, etc.). Our scheduled events are totally dependent on having members take an active role and support. Feel free to contact Buff Groth or Wendy Davis for details on hosting events at oakwoodswimclub@gmail.com
