club with a recommendation. The club shall then take a vote to decide whether or not the recommendation shall be adopted. It shall require a two-thirds vote to pass the action.

Section II

A) Riders are responsible for the actions of their pit crews and motorcycles at all times. No dragging, stunting or wild riding is allowed.

Section III

A) All members must work a NEHA promoted event.

ARTICLE 9

RIDER INFORMATION

Section I

A) The classes are determined by the A.M.A. rulebook.

Section II

A) Hillclimbs shall run rain or shine except if the conditions warrant otherwise.

Section III

A) Riders must be ready when their class is called. The rider will be allowed one minute after the pit steward calls the bike to the line. It will be determined by the club's referee if and/or when a rider may ride again should any minor repairs need to be done during that time.

Section IV

A) Anyone paying dues may join the New England Hillclimbers Assoc. and have full voting power.

Section V

A) It is recommended that any rider with a special blood type, reaction to medication, allergies, or any type of medical problem, carry in their helmet or pocket information explaining the particular problem or situation.

Section VI

A) The club referee shall have the power to disqualify any motorcycle that does not conform to the rules and regulations and to inspect any part of a motorcycle entered into competition at any hillclimb.

Section VII

A) The motorcycle club or individual that promotes the event shall have the right to design or layout the hill in whatever way the promoter feels safe yet provides a challenge to the riders. No individual may change or influence in any way the design or layout of the hill, i.e.: earth moving machines, shovels, raked, etc. rooming will be limited to the start area only. Any rider or group of riders who feel the hill is unsafe for competition must make a motion to have a rider's meeting to discuss and vote on the matter. Violation of this rule will result in the disqualification of the individual or group of individuals for the day's event.

POINTS

Section I

A) The first fifteen positions will receive points in each class as follows:

1st - 25 pts.	2nd - 22 pts.	3rd - 20 pts.	4th - 19 pts.	5th - 18 pts.
6th - 17 pts.	7th - 16 pts.	8th - 15 pts.	9th - 14 pts.	10th - 13 pts.
11th - 12 pts.	12th - 11 pts.	13th - 10 pts.	14th - 9 pts.	15th - 8 pts.
16th - 7 pts.	17th - 6 pts.	18th - 5 pts.	19th - 4 pts.	20th - 3 pts.
21st - 2 pts.	22nd - 1 pt.			

Section II

A) Points will be awarded to each rider achieving a first to twenty second place. These points will accumulate for each designated hillclimb and result with the awarding of championship

trophies for each class at the end of the season. A rider must be in good standing with the club and participate in at least sixty percent of each class per season to receive a trophy.

B) In the event of a tie for championship points, an evaluation of the tied riders season events finishes will be made. The rider with the greater number of first, if not second, etc., place finishes will succeed the other rider.

C) A member may change competitive points class in which they signed up for with no additional charge. All previous accumulated points in the class the rider is being removed from will be forfeited. The rider must still complete 60% of the scheduled calendar season in the new class. All previous competition in the class the rider changes to will not be recognized.

Section III

A) Points will be given to A.M.A. Amateur/Youth/ATV events only and riders must be N.E.H.A. members to receive points. If a non-member finishes in a points position, those points for that position will be eliminated. Any rider found guilty or in violation of A.M.A. rules will lose previous accumulated points.

B) All professional riders are ineligible to receive N.E.H.A. points or awards. Pro riders placing in any position will be overlooked and points will not need to be eliminated for that position. Pro riders will be considered professional until their pro license has expired for at least one year.

Section IV

A) If the timing equipment fails, bad weather or lack of ambulance coverage or daylight, every attempt will be made to give every rider two rides, however, once the class is completed, (two rides for everyone in the class) nothing can be changed. Points are to be awarded to one type of timing system; electric timing light or stop watch. If the timing equipment fails in the first run, the second run will count using a stopwatch for N.E.H.A. points. If the timing system fails in the second run, the uncompleted classes will go by the first run time for points.

ARTICLE 11

CLASSES

Section I

A) Classes will be run in the order the body decides.

Section II

A) All motorcycles must have at best one readable number plate.

Section III

A) Any rider refusing to allow the measurement of their motor will automatically be disqualified for the event. At that time, their competitive number shall be revoked for the period of one year.

Section IV

A) No rider may enter more than 4 classes per hillclimb. No two riders may enter the same machine, nor any rider enter two machines in the same class.

Section V

A) The rules included in this book are the rules of the NEW ENGLAND HILLCLIMBERS ASSOCIATION. INC. All sportsman hillclimbs are governed by first and foremost the A.M.A rules currently in effect.

* ANY rider OR pit crew/friend that is found under the influence of alcohol during the race day OR night before will be excluded from TWO points races if UNDER AGE. All money will be forfeited if already paid.
