

**DO NOT PLACE ANY PERSONAL HYGIENE ITEMS
INTO THE TOILET, THIS WILL CAUSE A MAJOR CLOG**

HOME IS ON A SEPTIC SYSTEM

(if you do not know what a septic system is, please ask)

Toilets are a (low water) “dual flush” system I and II

**DO NOT PLACE ONE WIPE IN THE TOILET.
USE ONLY THE SUPPLIED SCOTT’S TOILET PAPER**

**On August 19, 2018 ONE HYGIENE WIPE resulted in a \$2700+
pipe clearing, toilet overflow, ceiling collapse, floor replacement and clean-up**

If necessary, flush often during use.

Do not attempt to flush large amounts of bodily waste with one flush

All toilets have been flushed and checked prior to your arrival.

You are responsible for the actions of your children !!

The macerator toilet and sink (lower powder room) are powered by electricity,
do NOT use during a power outage.
Sink water discharges through the toilet.

DO NOT FLUSH

ANY PERSONAL HYGIENE ITEMS

WET WIPES, BABY WIPES

PAPER TOWELS

The toilet “plunger” is located in the furnace room
For your clog call: Ready-Rooter at 508-888-6055
