VIRGINIA IS FOR LOVERS

The Music Festival With A Mission – Introduction

The 8th Annual Veterans Band Aid Music Festival is a premier outdoor music festival and fundraiser featuring national recording artists alongside some of the region's most talented and award-winning local performers. Attendees enjoy two days of live music, food trucks, craft beverages, artist vendors, camping, a live auction, raffles and the popular cigar and bourbon lounge—all in a unique festival atmosphere that brings the community together in support of our nation's heroes.

Veterans Band Aid Music Festival has become a signature event in Hampton Roads, attracting thousands of attendees from across Virginia and beyond. In recognition of its impact and growing popularity, the festival was nominated for "Best Music Event" at the VEER Music Awards. Estimated attendance: 4,500+ guests.

Proceeds benefit the Coastal Authority Care Foundation (CACF), a nonprofit organization dedicated to helping service-disabled veterans living with traumatic brain injury (TBI), post-traumatic stress (PTS), depression, chronic pain, and other invisible wounds of service. Through education, care coordination, and financial assistance, CACF helps veterans access innovative, evidence-based therapies that support brain health, nervous system regulation, and overall well-being.

These therapies—including hyperbaric oxygen therapy (HBOT), neurofeedback, photobiomodulation (near-infrared light therapy), vibroacoustic therapy, and other emerging interventions—have helped veterans improve cognitive function, reduce symptoms, restore quality of life, and regain hope for the future.

By partnering with Veterans Band Aid Music Festival, you are doing more than sponsoring a concert—you are helping veterans and their families access transformative care and creating a lasting impact in the military community.

Testimonial

Hi Jill,

Thank you again for everything you and your team have done. Bryan asked me to send his testimonial on his behalf.

A TIME OF FEAR AND UNCERTAINTY

When we first reached out to Coastal Authority, Bryan was in a very difficult place physically, mentally, and emotionally. After years of service and trauma, his health had declined to the point where I was genuinely afraid we were running out of time. I feared that if he didn't receive effective treatment soon, we would lose him.

HOPE THROUGH SUPPORT

Coastal Authority helped with the cost of hyperbaric oxygen therapy at Rocking Mountain Hyperbaric Institute, making it possible for Bryan to receive the care he desperately needed. Mercy Medical Angels supported us with travel expenses so he could access treatment safely and without delay. Together, these organizations gave Bryan a chance at healing when we felt we had exhausted every other option.

MEANINGFUL, LASTING CHANGE

From his very first session, we noticed meaningful changes such as clearer thinking, deeper rest, and the gradual return of motivation. As treatment continued, we saw lasting improvements in focus, mood, and overall stability. The most powerful change was the return of hope, something that had been missing for a long time.

A RENEWED LIFE AND PURPOSE

Today, Bryan continues his recovery with a renewed sense of purpose and a stronger foundation for long-term healing. We are deeply grateful for the compassion, generosity, and care shown by the Coastal Authority team. You didn't just assist with treatment; you became a part of Bryan's story of survival, restoration, and faith.

With heartfelt gratitude,

Andrea & Bryan Garcia
