Come learn about the 4 different divisions of the Working Horse Series

1. In Hand Division- Includes Conformation, Real Ranch (similar to showmanship), and In Hand Trail.

2. Undersaddle Division-Includes Trail, Ranch Riding, and Pleasure on the Rail.

3. Cattle Working Division-Come learn about the foundation of cattle working and preparing your horse for more advanced classes. This clinic is great for beginners to learn the fundamentals of maneuvering your horse around a cow for a series of different classes.

****No live cattle at this clinic, but join us for the cattle working and roping clinics held at Smok’N Guns arena in April and June.**

4. Speed Division-Includes Barrels, Pole Bending, and Trailer Scramble.

This series is all about horsemanship, including in the speed division.

Cattle Working Clinic April 22nd at 2pm

Cattle Roping Clinic June 4th at Noon

****these 3 clinics will all count for year end award qualifications**
