

Key West Art Center Associate Members' Show **March 29 - April 10, 2019**

Welcome to the fifth annual Key West Art Center Associate Members' Show. It begins with an opening reception on Saturday, March 30th and continues on exhibit for two weeks with all works available for sale. The show is a benefit of membership and a chance to show off the many talents of our associate members.

Guidelines

Participation is open to all current Associate Members. New members may include the \$45 annual membership dues along with their registration for the show. Each member is entitled to submit one artwork. The piece must be consistent with the Art Center's gallery rules: work may be two- or three-dimensional; it must be no larger than 30" x 40" and must be the original creation of the artist; it may not be photography or digital art.

Two-dimensional work must be framed and sturdily wired for hanging. Sawtooth or other unstable hangers not permitted. Wraparound, gallery wrap and other forms of framing are acceptable as long as the sides are at least one inch and painted or appropriately covered. All three-dimensional work must be sturdy and have a complementary support stand when applicable.

Artwork must have been recently completed and not previously shown at the Art Center.

The Art Center will handle all sales and retain a 30% commission on all sold works, plus a 3% fee for credit card transactions.
