2022 Exhibiting Member Dues and Registration

Please complete the form below and return it with your \$150.00 dues payment for 2022. The deadline for payment is December 31, 2021. If we have not received your payment by January 15, 2022, your work will be removed from display.

All exhibiting members must fulfill 12 hours of member service in support of the Key West Art Center & Gallery in addition to payment of dues. If you cannot or do not wish to fulfill your 12-hour member service requirement you may “buy out” your obligation at \$15.00 per hour for an additional \$180.00. Member service hours will be kept up-to-date this coming year and you will be billed for any hours not served at the rate of \$15.00 per hour at the end of the year. It is your obligation to keep in touch with the Art Center as to how you can fulfill these hours.

All artists must have a bio and/or artist statement in the binder which is on display for the public in the gallery. Please send in an updated version—if you are not sure if we have the most recent version, send one in just in case. We encourage you to have preprinted bios or rack cards on file as well. Many of our customers ask for this when they purchase your artwork or to make contact with you directly.
