The Key West Art Center & Gallery is a non-profit community art organization established in 1960 for the purpose of providing helpful resources and gallery space for local artists to show and sell their work. The Art Center has a rich history that includes a who's who of local artist members over the years. We are proud of our ongoing role in Key West's incredible history as an artist community dating back to the Depression Era of the 1930's.

The Associate Membership program supports our mission to encourage local artists and bring programs to the public that increase appreciation of the arts.
