

# Key West Art Center & Gallery Associate Members Show

## 2022 Guidelines and Schedule

Welcome to the annual Key West Art Center & Gallery Associate Members Show. It begins on Friday, February 18, 2022, and continues on exhibit for two weeks with all works available for sale. The show is a benefit of membership and a chance to show off the many talents of our associate members.

### **Guidelines**

Participation is open to all current Associate Members. New members may include the \$45.00 annual membership dues along with their registration for the show. Each member is entitled to submit one artwork. The piece must be consistent with the Art Center's gallery rules: work may be two-or three-dimensional; it must be no larger than 30" x 40" and must be the original creation of the artist; it may not be photography or digital art.

Two-dimensional work must be framed and sturdily wired for hanging. Sawtooth or other unstable hangers are not permitted. Wrap around, gallery wrap and other forms of framing are acceptable as long as the sides are at least 7/8 inch and painted. All three-dimensional work must be sturdy and have a complementary support stand when applicable.

Artwork must have been recently completed and not previously shown at the Art Center.

The Art Center will handle all sales and retain a 30% commission on all sold works, plus a 3% fee for credit card transactions.

### **Schedule**

**February 15** - Print out and complete the registration form and return it to the Art Center by Tuesday, February 15. You can also request an email version of the form by contacting us at [info@keywestartcenter.com](mailto:info@keywestartcenter.com).
