## LANDSCAPE COMMITTEE UPDATE

The Adams Landing Landscape Committee has begun its Spring & Summer process of dressing up the Common Areas. Our front Entrance has a wide variety of floral excitement, including – Purple Coneflower, Trollius or Globeflower, Dahlias, Spider Wart, Lobelia, Angelina Sedum, Delphinium, Butterfly Weed and Snapdragons. Their work will continue throughout the Summer as they beautify the pool area, enhance our decorative wall areas, replenish mulch areas, and embellish planting areas that were started last summer. Thank you to all the volunteers on the Landscape Committee.
