## TIC TAC TOE ACTIVITY

### Little Pea

by Amy Krouse Rosenthal & Jen Corace

Tic Toe Toe is a fabulous way for children to work on social skills, resiliency, vocabulary, speech, motor skills AND have fun! The images on this printable are from [www.sproutorganicfoods.com](http://www.sproutorganicfoods.com), and fit in perfectly with Little Pea.

- \* Children can play solo, having peas and carrots take turns laying on the board
- \* Children can take turns laying their pieces to form 3 in a row
- \* Children can make patterns, such as peas on the TOP, and carrots on the BOTTOM (working on prepositional skills)
