## SONGS & MUSIC IDEAS

Little Pea, by Amy Krouse Rosenthal

Using familiar tunes/songs, insert new lyrics, movements, and sounds. Send us your ideas and we'll post them with your permission!

### Old McDonald

Try inserting the names of veggies, flavors of candy, or even a recipe's directions. Adding your own motions, sounds, or those the kids create are a fabulous way to engage everyone!

### Row Row Row Your Boat

Roll, Roll, Little Pea  
Gently on the floor  
Careful, careful, careful, careful  
Watch out for the door!

### Twinkle Twinkle

I love candy  
Yes I do  
Red ones, green ones,  
Yellow ones, too  
I love candy  
But my mommy says, "No"  
We need healthy food to help us grow!

### Hokey Pokey Candy

Glue or tape different colored candy pictures from the LLL printables to popsicle sticks. Children hold their set of different colored candy sticks, and following the directions to the song:

"You put your red candy in,  
You take your red candy out.  
You put your red candy in,  
and you shake it all about.  
You do the hokey pokey & turn  
yourself around,  
That's what it's all about!"  
[repeat for other colors]

### Itsy Bitsy Spider

Little Pea, Little Pea  
Climbed on a spoon  
Daddy jumped on and sent him to the moon.  
Down came Little Pea back on the spoon  
And sent that daddy straight to the moon!
