GHOSTLY SHAPES

DIRECTIONS

- o Print shapes and templates
- o Laminate (optional)
- o Cut shapes out - at least one set for each child
- o Variation: Use shape manipulatives instead of our shape template
- o Provide a mini lesson on how to create a Halloween character using shapes
- o Share/present each child's work with group (take a photo!)
- o Have children create their own character
- o We like sending sets of our materials home with children to share with their grown-ups

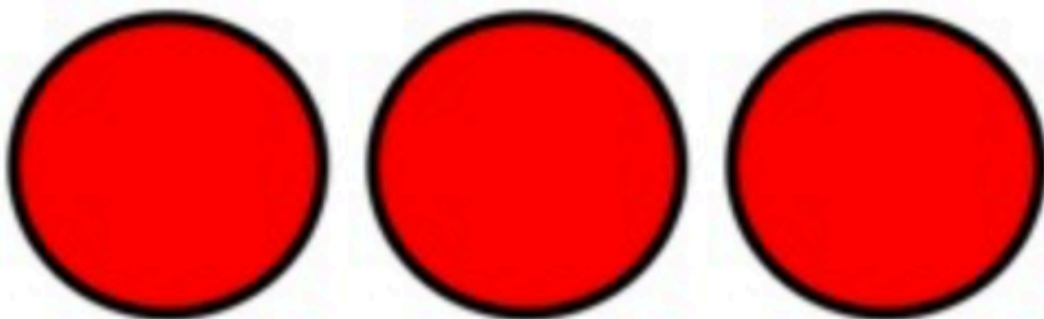

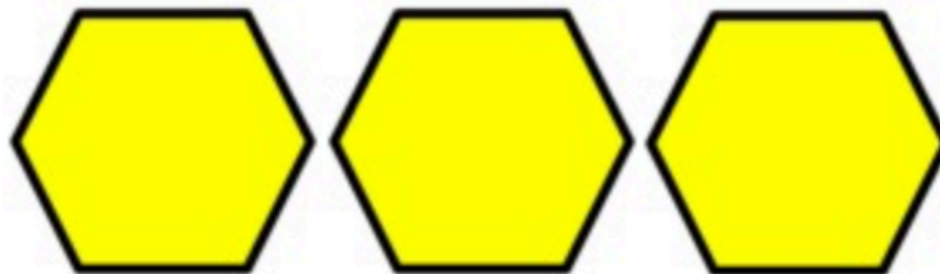

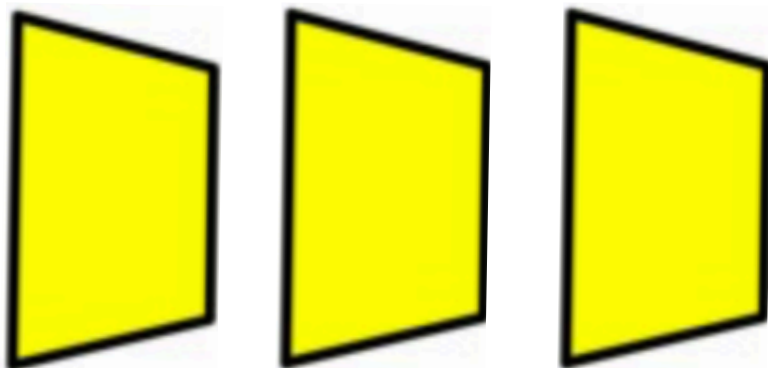

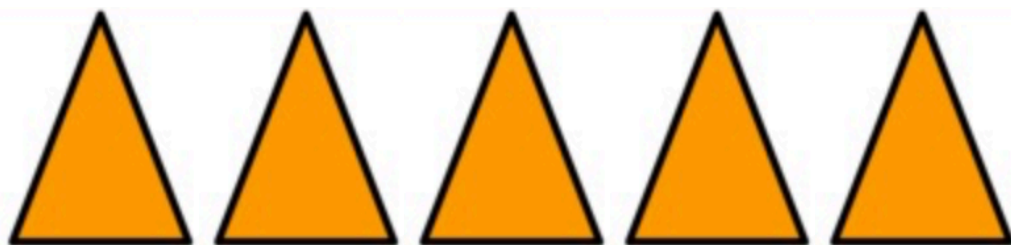

SAMPLE QUESTIONS

- o Can you recreate the Halloween characters using different shapes?
- o Which shapes did you use?
- o How many of each?
- o Try and recreate a ghostly shape a friend made?
- o How fast can you complete a character?
- o What character can you make on your own that isn't pictured?
- o Which shape is your FAVORITE?
- o Which one is your least favorite?
- o Try and tell a friend how to make a ghostly shape with showing them - just your words!
