HALLOWEEN BOONGO

Halloween BINGO follows the same rules as traditional BINGO, except you may wish to try some variations:

- Use small plastic spiders or halloween toys as chips
- Play with the lights dimmed low, using a flashlight or battery later
- Play under a large ghost sheet, suspended over a table or chairs
- Have a child act out the next card, not saying its name (i.e. "Boo!" = ghost; "meow" = cat)
