

LOOK LOOK LEARN, LLC SPINNING GHOSTS GAME

A simple game where children spin a spinner or roll a die. They place the amount of ghosts on their ghostly game board until all the numbers are filled up. Variations include adding only to ghosts when exact number is spun; Having children go in reverse direction to remove ghosts spun; Having a child choose between spinning to add ghosts to their board, or spin to remove ghosts from a peer's board.

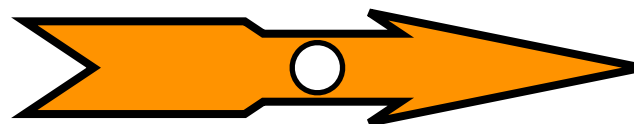

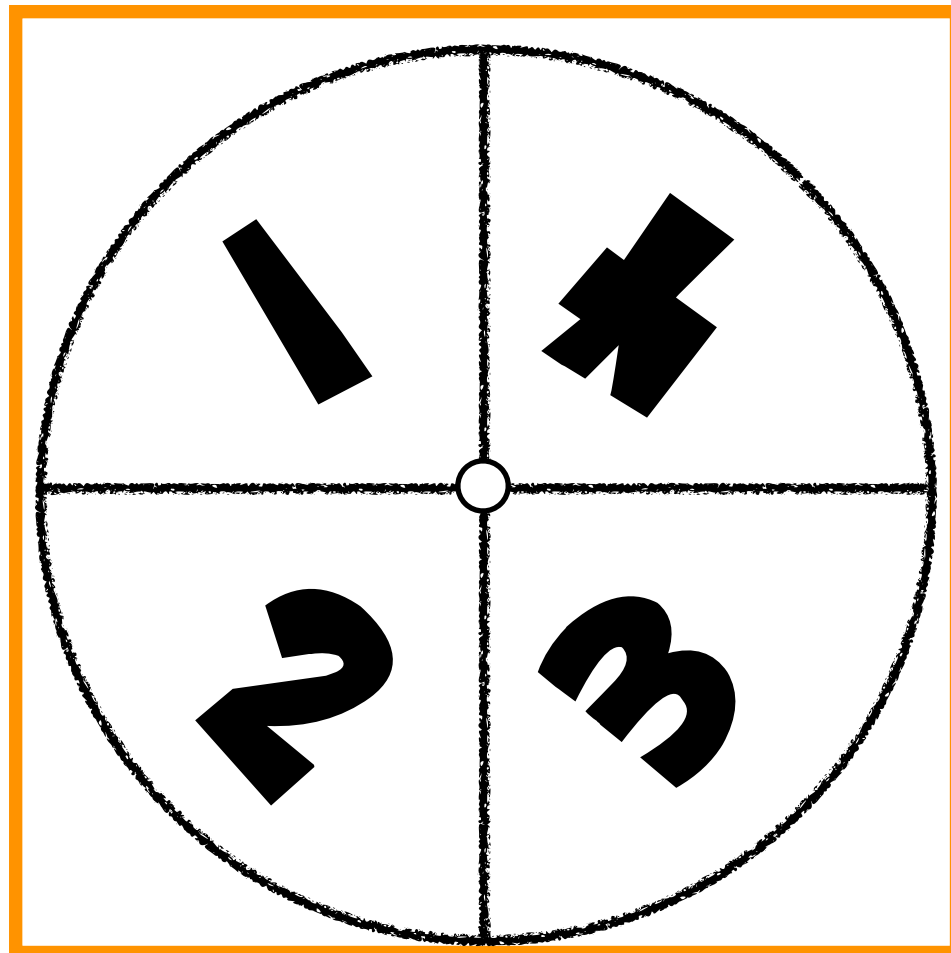

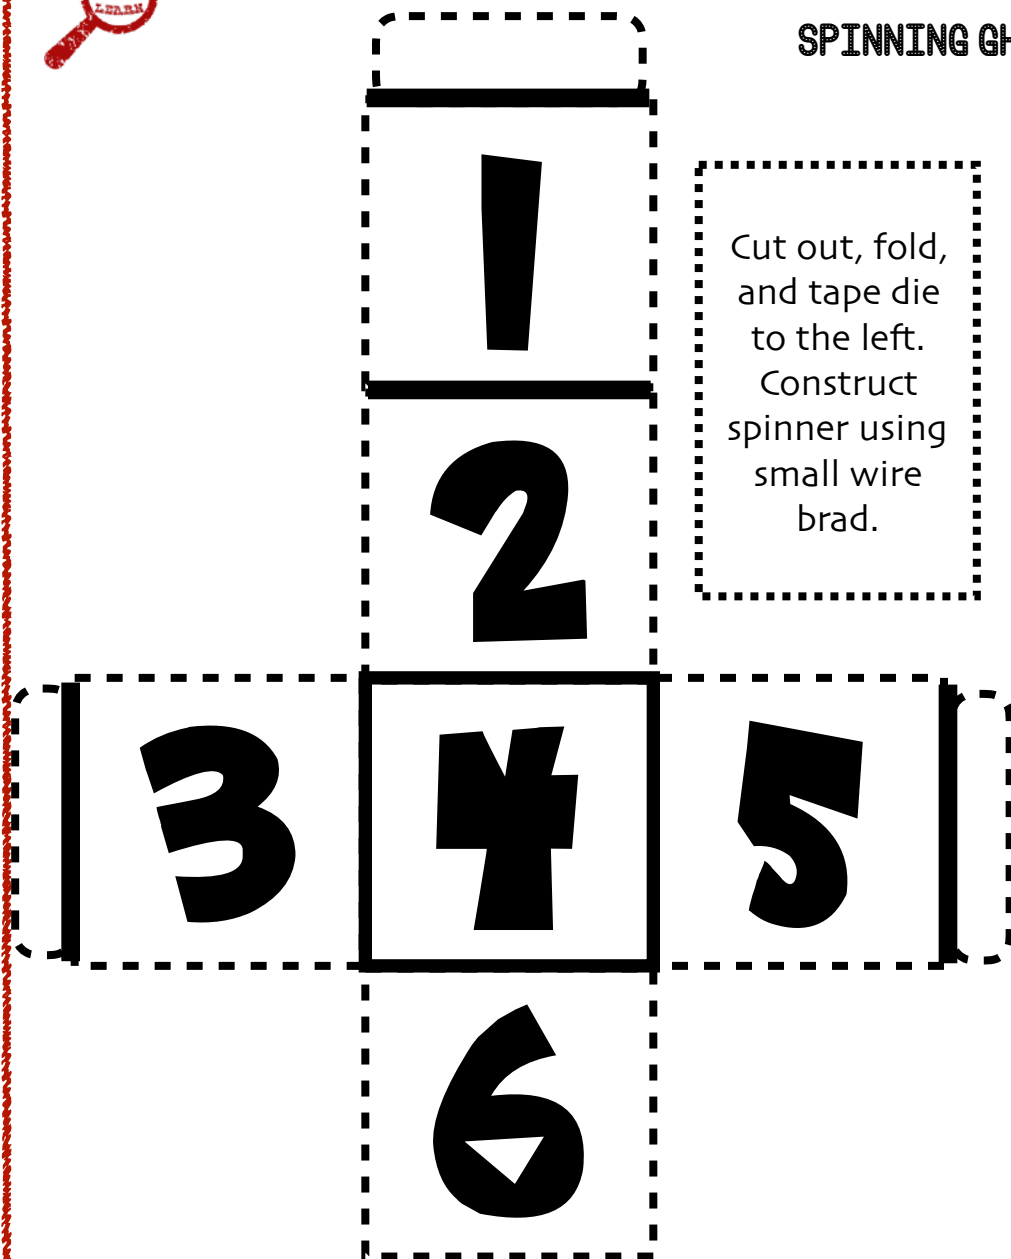

Each player needs 21 ghosts. Print, laminate, and snip ghosts. (Three strips per student = 21)
