*[Beat: "We will rock you" style; Foot, foot, clap]*

I want to be first,  
Make room in that line!  
I wanna' be FIRST.  
If I can't I'll whine!  
I'll whine, whine, whine...  
I'll whine

I want to win,  
WIN all the time!  
I want to win,  
If I can't I'll whine  
I'll whine, whine, whine...  
I'll whine

**Chorus:**

Because winning is great  
Being first is the best  
It shows that I'm greater than  
all the rest...  
Wait. Where are the rest?  
I'm alone? No friends?

If I'm always first  
First in line  
Then my friends are behind me  
ALL the time  
I'm alone, lone, lone...  
No friends

And if I always win  
Win ALL the time  
Then my friends they lose  
ALL the time  
And they'll be sad, sad, sad  
(And maybe mad)

**Chorus:**

Because winning all the time  
Is not fair at all  
So I'll be felxible  
Be big and tall...  
I'm growin'! Gettin' bigger!  
Watch out for the big kid!

Sometimes I'm first  
Sometimes I'm not  
Sometimes I win  
Mmm, sometimes not a lot.  
BUT I'm growin', gettin' bigger  
maturing...  
Bigger A LOT!

**Chorus:**

Because winning is great  
First is better than the rest  
But being a friend  
Now THAT's the best...  
Wait. Where are the rest?  
They're all around me!
