Discover the Catholic Church

Over the years, there have been an untold number of questions and objections raised about the Catholic Church's teaching and practices. The answers are here, and it's worth your time to find them. The Lord wants us all to know and understand His truth, so we can embrace it wholeheartedly and live by it. Christ reminds us, "The truth shall make you free" (John 8:32)

*We hunger for meaning and purpose.

*We need God's forgiveness and healing and mercy to help us become better people.

*Our families need to be built on a strong foundation of faith.

* The Catholic Church has the Sacraments and we especially long for the Eucharist

It can be difficult when we feel like our neighbors and friends Christians aren't acting very Christian. At times the Church is made up of sinful, imperfect people. But rather than distancing yourself from the Holy Eucharist and the Catholic Church that Christ founded, consider clinging to Jesus all the more, he never disappoints. It is helpful, in times of our trials, to remember the mercy and love of Jesus. Do not allow the actions of some to cause you to lose faith in the Church as a whole. Come to Saint James and discuss your frustrations with our priest or deacon. To start your journey back to a welcoming home. Above all, do not lose heart. People may disappoint, but God never leaves us.
