**DIGITAL SIGNAGE SOLUTIONS THAT
COMMUNICATE FOR YOUR BUSINESS**

Digital Communications

From customer facing welcome screens to outfitting your entire complex for internal & external communications, manage content & broadcast with digital signage.

System Benefits

Reinforce your brand, increase safety, or reach warehouse employees without internet access. Manage multiple locations remotely with a consistent message & dynamic content.

Effective Locations

Lobby/Reception Area • Waiting Area • High Traffic Hallways • High Profile Windows • Warehouse (employees with no email access) Exercise Room • Cafeteria • Retail

Ideal Applications

Welcome Screens • Facility TV • External Marketing & Public Messaging • Internal Employee Communications • Emergency messaging • Safety reminders • Site Specific Messages

one-stop shop for all your digital signage needs
