

To our valued Customers, Friends and Family....it has been a great journey and experience for us over the past three years but our time as owners of the Old Arabi Bar / OAB on the River has come to an end. We are grateful to everyone in the Old Arabi Community for your support and we hope over the last three years we have given back to the community equally. We are not sure what the future holds for this neighborhood gathering spot, but we intend to do our best to pass it along to someone that will treat the Old Arabi Neighborhood with the utmost respect.

Thank you all again for your years of love and support,

Please feel free to reach out to us at info@oldarabibar.com if needed
