Piano Tuning

A comprehensive tuning of your entire keyboard, including minor repairs and cleaning. We leave your instrument sounding great and conditioned for many years to come!

Extensive repairs may require a follow-up appointment or referral to another technician.

A typical tuning takes about 3 hours

We have extra availability in May and December.

Piano Lessons

For dedicated students with 3+ years of experience. We follow a trimester format with weekly 30-minute lessons. Lessons take place in our home studio.

Sessions: Spring: January – April, Summer: June – July,

Fall: August – November (No lessons in May or December)

Recitals are held in my home at the end of each session.

Lessons are invoiced monthly at the start of the month.

Payment via Card, Zelle, or Check.
