ERIC M. BAILEY

INTERNATIONAL KEYNOTE
SPEAKER | AUTHOR

INKWELL *ink* MGMT

Eric M. Bailey is the bestselling author of *The Cure for Stupidity: Using Brain Science to Explain Irrational Behavior* and President of Bailey Strategic Innovation Group, one of the fastest-growing human communication consulting firms in the United States. Eric has a diverse set of experiences that includes helping NFL All-Pro Larry Fitzgerald pet a rhinoceros, doing barrel rolls in an F-16, and chatting with LL Cool J on the campus of Harvard University.

Eric is the creator of the Principles of Human Understanding™, a leadership and communication methodology based in brain science and psychology. Eric's unique style blends fact and emotion and finds ways to appeal to the analytical thinkers, the emotional feelers, and everyone in between. Eric has a unique ability to communicate seemingly complex concepts in practical, easy-to-comprehend ways, aiding in self-awareness and knowledge retention.

Eric has been featured on CNN, Huffington Post, Forbes, the Like a Real Boss Podcast and has helped leaders and teams across the world see common problems from new and different perspectives. Eric works with Google Inc, the US Air Force, Los Angeles County, the City of St. Louis, MO, Phoenix Police Department and many more. Eric also runs a YouTube series of 2-minute executive lessons called [The Walking Meeting](#).

Eric has a Master's degree in Leadership and Organizational Development from Saint Louis University and is a lifetime learner of human and organizational behavior. When not working or researching, you can find Eric and his wife Jamie racing on their road bikes, being cheered on by their three children.

ABOUT ERIC

A man with a shaved head, wearing a white shirt, a yellow tie, and a dark blue vest, is speaking on a stage. He is gesturing with his hands and holding a small black device in his left hand. The background is a stage with purple and blue lighting and a large white circular graphic.

“

The only things in life
we can learn are things
we don't yet know.”

Eric M. Bailey
