# Keynote speaker Sharmin Ali delivers inspiring and actionable keynotes to guide individuals, teams, and companies to higher levels of innovation.

Sharmin Ali has founded multiple ventures, creating over 10,000 jobs and raising \$200 million in capital. Her influence extends from boardrooms to NASDAQ spotlights, where she's been honored globally for her impact with awards for her work, and recognized by major media outlets ranging from Fortune, Forbes, Entrepreneur, Newsweek, TIME, and CNBC, for her innovation.

As the founder of the **Sharmin Ali Foundation for Entrepreneurs (SAFE)**, she remains fervent in her commitment to tackling the mental health crisis plaguing entrepreneurs, providing critical support and resources to those navigating the high-stakes world of business. She is also the creator of **Establish.club**, the first-of-its-kind 'Harvard for CEOs,' an elite online platform democratizing access to world-class entrepreneurial education that combines Ivy League-caliber instruction with practical, real-world knowledge. A fearless world traveler who's explored over 70 countries, Ali has channeled her experiences into three bestselling books, including her latest, **"BITCH, STOP! PLEASE.."**, an unadulterated manifesto for taking control of your destiny and rewriting the rules.

Sharmin is a sought-after keynote speaker on innovation, mental health, and women in tech, delivering electrifying talks to Fortune 500 audiences that ignite change and champion possibilities. Her journey is a testament to her fiery resilience and unapologetic ambition—proving that true leadership isn't just about success, it's about breaking barriers and championing possibilities.

ABOUT SHARMIN

# KEYNOTE TOPICS

## Out of the Box and Into the Wild: The Innovation Conundrum!

Innovation is a thrilling journey beyond conventional boundaries, but it's not without challenges. "Out of the Box and Into the Wild: The Innovation Conundrum!" emphasizes that true innovation requires more than just creative thinking – it demands the courage to embrace uncertainty, the resilience to navigate failure, and the vision to see beyond immediate results. It's about balancing bold experimentation with strategic foresight, turning wild ideas into practical solutions.

### **The Takeaway:**

*To thrive in today's fast-paced world, we must be willing to explore the unknown, challenge the status quo, and relentlessly pursue ideas that push the limits of what's possible. Sharmin shares her secret formula to innovation that led her unwavering and defiant journey from hesitation to hegemony!*
