Lions Pledge

I pledge allegiance to my country
and to the cause of peace
throughout the World.

I believe in the principles of
Lionism as contained in the
Lions Code of Ethics.

I am proud to be a Lion
dedicated to the service of others.

Lions Mission Statement

To develop an environment of fellowship, mutual trust, and understanding through which the Lions of District 50 Hawaii can advance the humanitarian purposes of Lions Clubs International and to develop leaders who will lead us toward the attainment of our goals.

Lionism

The International Association of Lions Clubs started as a dream in the mind of a young Chicago insurance agent. The man was Melvin Jones; the dream was the consolidation of several independent clubs, already in existence, into one strong, influential unit for service to humanity. This dream was presented to the leaders of various independent groups at a meeting in Chicago, Illinois, on June 7, 1917. From that meeting came a call for the Association's annual convention, which was held October 8-10, 1917 in Dallas, Texas, with 23 clubs participating. Thus was conceived and founded the world's largest, most active and most representative service club organization.

The Association did not become international in fact until 1920 when the first Lions clubs were organized in Canada. The third, fourth and fifth Lions countries were China, Mexico and Cuba in 1926 and 1927. Eight years later Central America entered the fold, and in 1936 the first South American club was established in Colombia. The first Lions club in Europe was organized in Stockholm, Sweden on March 24, 1948. Although the largest by far, the Lions are the youngest of the major service club organizations.

Today our Association is in practically all countries of the world. On every continent it is working through hundreds of thousands of Lions of all nationalities and creeds.

The Lions believe in club meetings where good fellowship and harmony prevail; in developing projects and activities geared to the needs of their communities; in broad participation in an international program of brotherhood and fellowship, based upon service wherever the need exists; in service to humanity without thought to race, creed, nationality, religion or politics; in the ultimate leadership of Lionism, but not at the expense of or in conflict with the programs of other organizations which, with different methods, seek the same goal of unselfish service to mankind.

NAME: The "LIONS" proper name is: "The International Association of Lions Clubs."

EMBLEM: A large letter "L" standing for Law – Liberty – Labor – Loyalty – Love – Life – Lions; on a circle representing Lions and Lions Clubs all bound together into one; Lions profiles looking two ways, representing a Lion looking in every direction for an opportunity to give unselfish service, with the word "Lions" at the top representing the Association, and the word "International" at the bottom indicating it is an international Association. It is the unwritten; obligation of every Lion to wear and display his emblem with pride.

COLORS: PURPLE AND GOLD. To Lions, purple stands for loyalty to country, loyalty to friends, loyalty to one's self and to the integrity of mind and heart. It is the traditional color of strength, courage and tireless dedication to a cause. Gold symbolizes sincerity of purpose, liberality in judgment, purity in life and generosity in mind, heart and purse toward his fellow man.

MOTTO: "WE SERVE."

The International Association of
Lions Clubs

OBJECTS

TO CREATE and foster a spirit of understanding among the peoples of the world.

TO PROMOTE the principles of good government and good citizenship.

TO TAKE an active interest in the civic, cultural, social and moral welfare of the community.

TO UNITE the clubs in the bonds of friendship, good fellowship and mutual understanding.

TO PROVIDE a forum for the open discussion of all matters of public interest; provided, however, that partisan politics and sectarian religion shall not be debated by club members.

TO ENCOURAGE service-minded people to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavors.

LIONS

CODE OF ETHICS

TO SHOW my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

TO SEEK success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

TO REMEMBER that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

WHENEVER a doubt arises as to the right or ethics of my position or action towards my fellow men, to resolve such doubt against myself.

TO HOLD friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit that which it is given.

ALWAYS bear in mind my obligations as a citizen to my nation, my state and my community, and to give them my unswerving loyalty in word, act and deed. To give them freely of my time, labor, and means.

TO AID my fellow men by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

TO BE CAREFUL with my criticism and liberal with my praise, to build up and not destroy.

Non-Sectarian Invocation

*Oh Heavenly Father;
We Thank Thee for food, and
remember the hungry.
We Thank Thee for health, and
remember the sick.
We Thank Thee for friends, and
remember the friendless.
We Thank Thee for freedom and
remember the enslaved.
May these remembrances stir us to
service, that thy gifts to us
may be used for others.*

Lion's Prayer

*Where Lions meet, be present, Lord.
Weld our hearts in one accord.
To do Thy will, Lord,
make us strong,
to aid the weak
and right the wrong.*
