

2025 Persimmon Cup

Sharks 113 | Bears 91.25

Under captains Ryan Koerner and Tyler Bain, the 2025 Cup delivered fast starts, momentum swings, and a team that caught fire at the right time. The Bears struck first and doubled up the Sharks in Round 1. By the end of the Scramble, the Sharks had settled in and built momentum. Round 3 flipped the Cup. The Sharks outscored the Bears 21 to 6 and never let the pressure off, extending the lead in Round 4 and forcing must win territory. Sunday Singles demanded a rally. The Bears pushed, but the Sharks won the day by one to secure a wire to wire championship performance.
