

Your photos from the closet to the computer cloud

Family Memory Assets

Preservation Services

Your photos, photo albums, custom scrapbooks, slides, home movies, and legal documents are invaluable and often irreplaceable.

Let **The Bear Services** be your personal archivist scanning and digitizing those family assets so they can be stored safely and shared liberally with family and friends.

Asset Digitization Services

- 📄 Scan photos and slides at 600dpi to .jpg files
- 📄 Scan scrapbook pages to .pdf files
- 📄 Convert VHS tapes to digital format
- 📄 Digitally archive documents
 - contracts, wills, invoices, receipts
- 📄 OCR digitized pages

Special Event Presentations

- 🎉 Birthdays, Anniversaries, Weddings, Graduations, Retirements, etc.
- 🎉 Your photos, slides, and home movies made into memorable videos
- 🎉 Music track using favorite tunes

Custom Scrapbooks

- 📖 Scan scrapbook pages to .pdf files
- 📖 All raised artwork, graphics, lettering
- 📖 Scrapbook pages scanned at 600dpi
- 📖 Creation of a .pdf scrapbook

Make an appointment and we will come to you. Your assets don't need to leave your possession.

\$50 minimum per project
