Here it starts with the jaw-dropping beauty of Lake Pend Oreille and surrounding mountains – a kind of beauty you find in national parks, but offered here without the maddening crowds. Add experiences that feed the senses, from hiking and biking, to swimming, boating, climbing and horseback riding. **Come discover a deeper sense of being.**

# ADVENTURE

*year-round*

**Winter here is wildly wonderful.** Our ski mountain, Schweitzer, is the largest in the region, with 2,900 acres of terrific terrain for all abilities, 92 named runs and 10 lifts. Off the mountain, there is XC skiing, snowshoeing, ice skating and snowcatting. And while winter and summer may get the glory ... the renewal of springtime and crisp colors of autumn provide their own delight. **Cherish every moment.**
