

Seven Locks Elementary School PTA Corporate Sponsorship Program

The Seven Locks Elementary School Parent-Teacher Association (PTA) invites you to partner with us in our mission to enrich the educational well-being of our students and invest in the future of the children in your local community.

Sponsorship of our valuable PTA programs provides educational enrichment for students, supplies for our teachers, critical technology upgrades and allows us to host community-building events and initiatives that support the diverse families in our community.

With your help, the Seven Locks PTA can provide programming in school to enrich and bolster the social and emotional health of our children, supplement the supplies needed by teachers to make our classrooms safe and equitable, and host community events like the Back to School and End of Year Picnics, Fall Festival, Wildcat Jam Dance-a-thon, Science Fair, International Night, Variety Show and much more.

In addition, your support will fund school-wide assemblies and activities that foster inclusion and understanding of our diverse community, kindness and empathy, STEM learning, cultural arts and literacy.

Our students and families are deeply grateful for your support. We have created a tiered sponsorship program to provide maximum visibility and recognition for your company.
