BALLET/TAP

MESSAGE IN MOTION

Get out of your tutu and start twirling! Let your child's inner princess shine as they learn to chassé and pirouette their way across the floor to classic fairy tale music from ballets like Swan Lake, Sleeping Beauty, The Nutcracker, Romeo and Juliet, and more. Learn ballet basics including barre work and center technique while using props, role-playing, and imagination to aid in personal expression and creativity. PLUS students will learn tap basics including tap terminology, rhythm, technique, and more. Learn what funky names like "Flap", "Shuffle", and "Ball Change" mean in the tap world! Students will showcase what they have learned at an informal end-of-session in-class parent show! Black tap shoes are required for tap. Bare feet are acceptable for ballet.

OVERTIME ATHLETICS

RUNNING CLUB

Kids are natural runners, but spend a lot of time hearing "No Running!" How many times does a child hear this? No running in the halls... No running in the house... No running at the pool... It goes on and on. The HIGH FIVES RUNNING CLUB puts a stop to the "No Running" and let's the kids fly! Crawl, Stand, Walk, Jog, Run... Gradually developing the habit to run can change and impact one's life forever. This program will bring a shot of energy with the daily warm-up game, then blast off with the daily workout. Our goal for the HIGH FIVES RUNNING CLUB is to get heart rates raised and to increase endurance.

KARATE

KAIZEN KARATE

This popular class is a disciplined introduction to the sport by Kaizen Karate. Your child will learn the beautiful art of karate while gaining safety and defensive skills in a respectful environment. The class will also emphasize the basic karate principles of focus, patience, and self-discipline. Returning students will continue to work toward new belts while first-time students will be able to start the belt program.

SPANISH CLUB

INTERNATIONAL SCHOOL OF LANGUAGE

ISL provides a well-rounded online language program for those children in grades K-2 that are either starting to learn a foreign language or would like to continue adding to their knowledge. Apart from the language, children will learn some culture, and traditions where the language is spoken. During this online program, students will be introduced to different topics according to the age and level of the students. Topics rotate each session; therefore, students who register for later sessions will learn something different each time. Class sizes are small and taught by native speakers who are experienced teachers of the language and culture, engaging, fun and motivating. Instructors use every moment as an opportunity to motivate students to use and practice their speaking skills. During each program we introduce a series of games and activities that develop the skills needed to learn a second language in a consistent and sequential manner.
