CLASS DESCRIPTION

LITTLE PEDIATRICIAN LITTLE MEDICAL SCHOOL

Little Pediatrician School - Our Little Medical School® - Future Pediatrician class takes a new twist on the traditional expectant sibling offerings. Using our successful role-playing techniques, students will assume the role of a pediatrician and learn how to hold the baby, do an exam just like a real doctor, change a diaper and keep the baby safe. Each Future Pediatrician will receive a disposable white coat, luxury plush baby, an exclusive mini Baby Box® for safe sleeping, activity sheets, and a birth certificate.

"MINI ME" FASHION DESIGN RED SPRINKLE

Become the next "fashion star," through the "Mini-me Fashion Design" course. A love for fashion comes at all ages, and this hands-on course is designed specifically for youth under age 9. Your budding mini-fashion designer will learn popular fashion styling and runway trends, fashion illustration, and even how to create looks for their favorite doll using no-fuss construction techniques! This exciting week will focus on: Runway Training—Want to mimic the walks of your favorite runway model? Learn about posture, posing, and the most popular walking techniques. You will be sashaying down the runway in no time! Fashion Styling—Want to become a fashion icon? Discover your own personal style, and learn how to style fabulous looks by creating your very own fashion look book. Raid our fashion "treasure chest" and create themed outfits for live mannequins! Fashion Illustration—Create cutting-edge clothing designs, while learning to sketch body forms. This class will not only show you top illustration techniques used by top fashion designers, but also how to bring those looks to life by adding fabric, jewels, and glitter! Fashion Design—Explore the colorful and exciting world of fashion design! Using your favorite doll as a muse, you will learn how to produce patterns, select fabric, and construct garments using adhesion and other "no-fuss" techniques. Your doll is sure to look smashing in your custom-made outfit!

SPANISH CLUB INTERNATIONAL SCHOOL OF LANGUAGE

ISL provides a well-rounded online language program for those children in grades K-2 that are either starting to learn a foreign language or would like to continue adding to their knowledge. Apart from the language, children will learn some culture, and traditions where the language is spoken. During this online program, students will be introduced to different topics according to the age and level of the students. Topics rotate each session; therefore, students who register for later sessions will learn something different each time. Class sizes are small and taught by native speakers who are experienced teachers of the language and culture, engaging, fun and motivating. Instructors use every moment as an opportunity to motivate students to use and practice their speaking skills. During each program we introduce a series of games and activities that develop the skills needed to learn a second language in a consistent and sequential manner.

KARATE KAIZEN KARATE

This popular class is a disciplined introduction to the sport by Kaizen Karate. Your child will learn the beautiful art of karate while gaining safety and defensive skills in a respectful environment. The class will also emphasize the basic karate principles of focus, patience, and self-discipline. Returning students will continue to work toward new belts while first-time students will be able to start the belt program.

MY FIRST PIGGY BANK SPARK BUSINESS ACADEMY

Earn, save, spend, donate! Let's learn about money! This innovative program provides a solid foundation on financial literacy for kids in a fun setting. Games and hands-on activities help students internalize key concepts (like money, budgeting and saving) in an engaging and supportive environment fostering teamwork. Students use their arts & crafts skills to make their own piggy bank!

MUSICAL THEATER *SPRING EDITION* MESSAGE IN MOTION

Students will learn the meaning of a triple threat performer in this class that introduces the main components of musical theatre including voice, acting, basic music theory, and dance technique (typically musical theatre jazz/broadway style and/or hip hop.) Learn choreography and staging basics while utilizing props, role playing, and imagination to aid in personal expression and creativity! Students will learn and collaborate on mini musical routines from both old school Broadway shows like Cat and Mary Poppins, to more contemporary productions and shows like Hamilton, Annie, Lion King, and more! Students will showcase what they have learned at an end of session informal in class parent show! What to wear: Comfy clothing, (easy to move around in), with sneakers and socks. Preferably no khakis, dresses, skirts, or jeans on class days. Hair pulled back.

CHESS CLUB MAGNUS CHESS ACADEMY FORMERLY KNOWN AS SILVER KNIGHTS

Learn chess with Magnus Academy (formerly Silver Knights), world champion Magnus Carlsen's academy! We've taught 100,000 children to play including state & national champions, but most students are beginners looking to learn a new skill and have FUN. Class time is divided between lessons and practice games. Lessons range from the basic rules to advanced tournament strategies. Students will have the opportunity to play in tournaments (in-person and online) outside of club time. This in-person club includes free online extras including weekly practice tournaments and an event with world champion Magnus Carlsen or Judit Polgar, the best female chess player of all time. All chess supplies provided. All skill levels are welcome. For more information please visit chessacademy.com.

EARTH SCIENCE ISTEAM

This spring, we are going to explore the wonders of the world around us – and below our feet! In this engaging and informative course, students will learn about extreme weather, soil layers, and how mountains form. Join us for exciting projects like creating an animal habitat and learning how to mine! Students will use their creativity in crafting projects and gain a deeper understanding of how animals and plants interact with the world.

WILDERNESS MEDICINE - 4 WEEK MINI SESSION LITTLE MEDICAL SCHOOL

Little Wilderness School brings medicine, science, and the importance of health to children in an entertaining, exciting, and fun way. Our program will teach children about some of the dangers in the wild and how to safely handle a medical situation. For example, students will learn about snake bites, hypothermia, how to tie a tourniquet, splint a broken leg, filter dirty water, 20 uses of a bandana, and how to treat bug bites. Our classes are led by a trained Little Medical School instructor. Each child receives a diploma, disposable lab coat, LMS bandana, thermal blanket and so much more.
