## ALUMINUM

WINDOW AWNINGS  
& DOOR CANOPIES

# DOOR CANOPIES

WEATHER PROTECTION FOR ENTRYWAYS

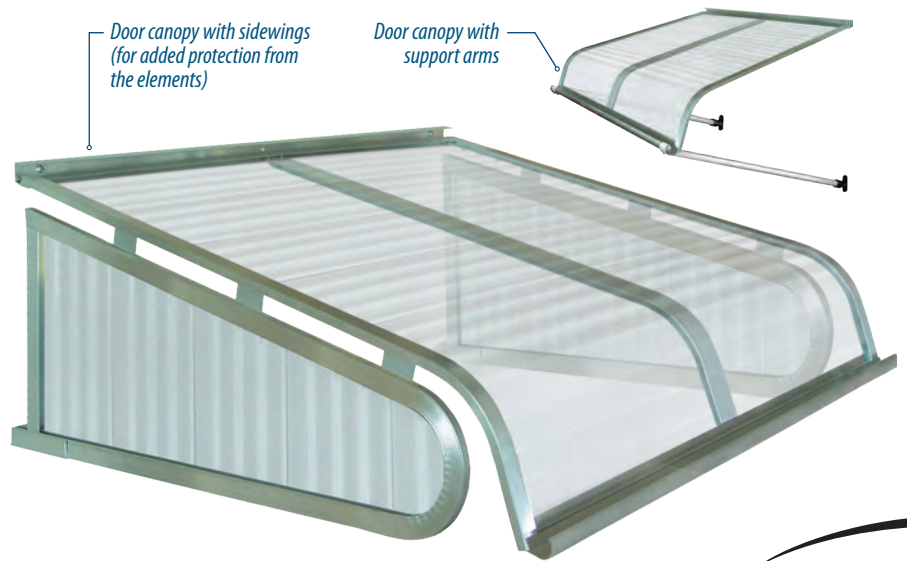

**SNOW:** GuardRite door canopies help protect your entryway on harsh winter days helping to reduce ice and snow from steps and landings.

**SUN:** GuardRite door canopies provide shade to help lower cooling costs and reduce indoor fading of furniture and floors.

**RAIN:** GuardRite door canopies feature a built-in front gutter -- to help channel rain water away from your home's entryway.

Aluminum canopies are the perfect choice when you want to protect your entryways from the elements. They are made to last and feature a heavy-duty mill finish aluminum framework. Aluminum canopies are durable enough to protect your doorway from both the rain and the snow.

- **Built-in front rain gutter**
- **Heavy extruded mill finish framework, with reinforced center mullion(s) on all sizes**
- **Available in custom sizes and widths**
- **Available with white support arms with adjustable mounting brackets or sidewings**
- **Hardware included for quick and easy installation**

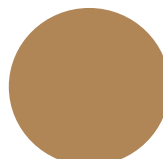

## 13 ALUMINUM COLOR CHOICES

Choose a solid or striped pattern in today's most popular colors. Underside of awnings are always white for light reflection.
