Thanks Mike. Of course, this person clearly doesn't understand that the Town is not endorsing the project but merely consenting to the Borrower going to the PFA as conduit issuer. I leave it to you and Gregg to decide whether you want to reach out. The Town TEFRA is on March 12, but based on my discussion with the Town Chair, it will be for comments only - not a Q&A. The Town Board meeting is the evening of the 11th, and that may be where they take questions - or not.
