

## **Privacy Policy**

Protecting your private information is our priority. This Statement of Privacy applies to configtoolbox.com, and Config Toolbox and governs data collection and usage. For the purposes of this Privacy Policy, unless otherwise noted, all references to Config Toolbox include configtoolbox.com. The Config Toolbox website is a e-commerce, technical blog, free configuration templates, external link recommendations site. By using the Config Toolbox website, you consent to the data practices described in this statement.

### **Collection of your Personal Information**

In order to better provide you with products and services offered, Config Toolbox may collect personally identifiable information, such as your:

- First and Last Name
  
- Mailing Address
  
- E-mail Address
  
- Phone Number
  
- Employer
  
- Job Title

If you purchase Config Toolbox's products and services, we collect billing and credit card information. This information is used to complete the purchase transaction.

We do not collect any personal information about you unless you voluntarily provide it to us. However, you may be required to provide certain personal information to us when you elect to use certain products or services. These may include: (a) registering for an account; (b) entering a

sweepstakes or contest sponsored by us or one of our partners; (c) signing up for special offers from selected third parties; (d) sending us an email message; (e) submitting your credit card or other payment information when ordering and purchasing products and services. To wit, we will use your information for, but not limited to, communicating with you in relation to services and/or products you have requested from us. We also may gather additional personal or non-personal information in the future.

### **Use of your Personal Information**

Config Toolbox collects and uses your personal information to operate and deliver the services you have requested.

Config Toolbox may also use your personally identifiable information to inform you of other products or services available from Config Toolbox and its affiliates.

### **Sharing Information with Third Parties**

Config Toolbox does not sell, rent or lease its customer lists to third parties.

Config Toolbox may share data with trusted partners to help perform statistical analysis, send you email or postal mail, provide customer support, or arrange for deliveries. All such third parties are prohibited from using your personal information except to provide these services to Config Toolbox, and they are required to maintain the confidentiality of your information.

Config Toolbox may disclose your personal information, without notice, if required to do so by law or in the good faith belief that such action is necessary to: (a) conform to the edicts of the law or comply with legal process served on Config Toolbox or the site; (b) protect and defend the rights or property of Config Toolbox; and/or (c) act under exigent circumstances to protect the personal safety of users of Config Toolbox, or the public.

### **Tracking User Behavior**

Config Toolbox may keep track of the websites and pages our users visit within Config Toolbox, in order to determine what Config Toolbox services are the most popular. This data is used to deliver customized content and advertising within Config Toolbox to customers whose behavior indicates that they are interested in a particular subject area.

### **Automatically Collected Information**

Information about your computer hardware and software may be automatically collected by Config Toolbox. This information can include: your IP address, browser type, domain names, access times and referring website addresses. This information is used for the operation of the service, to maintain quality of the service, and to provide general statistics regarding use of the Config Toolbox website.

### **Use of Cookies**

The Config Toolbox website may use "cookies" to help you personalize your online experience. A cookie is a text file that is placed on your hard disk by a web page server. Cookies cannot be used to run programs or deliver viruses to your computer. Cookies are uniquely assigned to you,

and can only be read by a web server in the domain that issued the cookie to you.

One of the primary purposes of cookies is to provide a convenience feature to save you time. The purpose of a cookie is to tell the Web server that you have returned to a specific page. For example, if you personalize Config Toolbox pages, or register with Config Toolbox site or services, a cookie helps Config Toolbox to recall your specific information on subsequent visits. This simplifies the process of recording your personal information, such as billing addresses, shipping addresses, and so on. When you return to the same Config Toolbox website, the information you previously provided can be retrieved, so you can easily use the Config Toolbox features that you customized.

You have the ability to accept or decline cookies. Most Web browsers automatically accept cookies, but you can usually modify your browser setting to decline cookies if you prefer. If you choose to decline cookies, you may not be able to fully experience the interactive features of the Config Toolbox services or websites you visit.

### **Links**

This website contains links to other sites. Please be aware that we are not responsible for the content or privacy practices of such other sites. We encourage our users to be aware when they leave our site and to read the privacy statements of any other site that collects personally identifiable information.

### **Security of your Personal Information**

Config Toolbox secures your personal information from unauthorized access, use, or disclosure. Config Toolbox uses the following methods for this purpose:

- SSL Protocol

When personal information (such as a credit card number) is transmitted to other websites, it is protected through the use of encryption, such as the Secure Sockets Layer (SSL) protocol.

We strive to take appropriate security measures to protect against unauthorized access to or alteration of your personal information. Unfortunately, no data transmission over the Internet or any wireless network can be guaranteed to be 100% secure. As a result, while we strive to protect your personal information, you acknowledge that: (a) there are security and privacy limitations inherent to the Internet which are beyond our control; and (b) security, integrity, and privacy of any and all information and data exchanged between you and us through this Site cannot be guaranteed.

### **Right to Deletion**

Subject to certain exceptions set out below, on receipt of a verifiable request from you, we will:

- Delete your personal information from our records; and
- Direct any service providers to delete your personal information from their records.

Please note that we may not be able to comply with requests to delete your personal information if it is necessary to:

- Complete the transaction for which the personal information was collected, fulfill the terms of a written warranty or product recall conducted in accordance with federal law, provide a good or service requested by you, or reasonably anticipated within the context of our ongoing business relationship with you, or otherwise perform a contract between you and us;
- Detect security incidents, protect against malicious, deceptive, fraudulent, or illegal activity; or prosecute those responsible for that activity;
- Debug to identify and repair errors that impair existing intended functionality;
- Exercise free speech, ensure the right of another consumer to exercise his or her right of free speech, or exercise another right provided for by law;
- Comply with the California Electronic Communications Privacy Act;
- Engage in public or peer-reviewed scientific, historical, or statistical research in the public interest that adheres to all other applicable ethics and privacy laws, when our deletion of the information is likely to render impossible or seriously impair the achievement of such research, provided we have obtained your informed consent;
- Enable solely internal uses that are reasonably aligned with your expectations based on your

relationship with us;

- Comply with an existing legal obligation; or
- Otherwise use your personal information, internally, in a lawful manner that is compatible with the context in which you provided the information.

### **Children Under Thirteen**

Config Toolbox does not knowingly collect personally identifiable information from children under the age of thirteen. If you are under the age of thirteen, you must ask your parent or guardian for permission to use this website.

### **E-mail Communications**

From time to time, Config Toolbox may contact you via email for the purpose of providing announcements, promotional offers, alerts, confirmations, surveys, and/or other general communication. In order to improve our Services, we may receive a notification when you open an email from Config Toolbox or click on a link therein.

If you would like to stop receiving marketing or promotional communications via email from Config Toolbox, you may opt out of such communications by clicking on the unsubscribe button at the bottom of the email received..

### **Changes to this Statement**

Config Toolbox reserves the right to change this Privacy Policy from time to time. We will notify you about significant changes in the way we treat personal information by sending a notice to the primary email address specified in your account, by placing a prominent notice on our website, and/or by updating any privacy information. Your continued use of the website and/or Services available after such modifications will constitute your: (a) acknowledgment of the modified Privacy Policy; and (b) agreement to abide and be bound by that Policy.

### **Contact Information**
