This half-day event is packed with insights, professional development, and networking opportunities tailored for linen, laundry, and textile care professionals. Whether you're looking to stay ahead of industry trends or reconnect with peers, this is a session you won't want to miss.

### Event Agenda

<b>8:00 a.m.</b>	Enjoy a light continental breakfast while networking with peers from across the region
<b>8:30 a.m.</b>	Kick off the day with a welcome message and general chapter meeting discussion.
<b>9:00 a.m.</b>	<b>Prioritizing Safety in Laundry and Linen Services</b> Presented by a healthcare safety coordinator, this session will highlight key strategies for maintaining a safe work environment in laundry and linen management settings. Topics will include common injury risks, effective prevention practices, and fostering a culture of safety through training and accountability.
<b>10:00 a.m.</b>	<b>Employee Wellbeing and Its Role in Retention</b> Led by wellbeing specialists, this presentation will explore how employee wellbeing initiatives can drive engagement and reduce turnover. Attendees will learn about practical approaches to supporting physical, emotional, and social wellbeing in the workplace, and how these efforts contribute to a stronger, more resilient team.
<b>11:00 a.m.</b>	Enjoy a catered lunch and informal networking with colleagues and presenters.
<b>12:00 p.m.</b>	<b>Putting It into Practice – Peer Discussion &amp; Implementation Planning</b> This optional, interactive session invites attendees to reflect on key takeaways from the morning presentations and explore how to apply them within their own organizations. Participants will also have the opportunity to ask questions, share experiences, and collaborate on common industry challenges in a supportive, solutions-focused environment.

*Let's gather, learn, and grow together in Madison this July. We look forward to seeing you there!*
