

KEEP GRASS CLIPPINGS OFF THE STREET AND OUT OF OUR STREAMS

Blowing or sweeping grass clippings into the street is against our municipal code!

FLOOD ALERT
Clippings can
create blockages in
stormsewer pipes
leading to flooding.

Grass clippings will
decompose in
waterways using
up oxygen and can
create a fishkill.

Chemicals and
fertilizers on
clippings can
pollute local
waterways.

Clippings on road
surfaces can create
dangerous driving
conditions.
