"A Unit of Surange Healthcare India Pvt. Ltd"

Pain and Spine • Diagnostics • Regenerative • Pharmacy

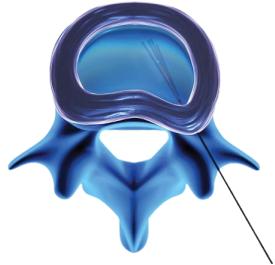

Investing in Tomorrow:
Learn RF Interventions for
the Growing Discogenic
Pain Problem.

The background of the text features a semi-transparent anatomical diagram of a vertebra. A yellow RF probe is shown inserted into the disc space, with a blue and white electrode tip. Below the vertebra, several thin lines connect to various RF surgical instruments, including probes and a handpiece.
