Miss Lori
Owner/Director

The Mission of SheLor School of Dance

and owner Lori Portman-Lewis says, “Dance can be a wonderful source of accomplishment and joy for all, SheLor nurtures each and every student”. For over 40 years, Miss Lori has taught her students, overseen their development and watched them grow physically and emotionally. She embraces dance for the discipline and dedication it provides. She believes dance lays a strong foundation for students’ futures.

Miss Lori holds multiple registrations and certifications in dance education including Dance Educators of America (DEA), Royal Academy of Dance (RAD), Acrobatic Arts, Pilates through Physical Mind Institute and Power House Pilates, and Fred Astaire Performing Arts.

She has also pursued studies in Kinesiology and trained under renowned master teachers; Gwen Verdon, Mia Michaels, Luigi, Debbie Dee, Mignon Furman, Gus Giordano, Frank Hatchett, David Howard, Dame Antoinette Sibley, Charles Stanley, Joe Tremaine and Henry Le Tang. She has studied extensively with tap master teachers in Miami at the National FAPA Tap Convention.

Dance is for EVERYONE. Miss Makayla Himes, who holds a doctorate in occupational therapy and is a SheLor alumna, created an adaptive dance syllabus at our studio to allow local children with disabilities to participate in dance. It is crucial to meet students where they are and provide representation for all dancers. In our adaptive dance program, students of all capabilities can experience a dance class, feeling both important and empowered.

SheLor is proud to have a long-standing excellent teaching staff with accreditations and certifications to ensure exceptional training of all dance students. Our curriculum focuses on all levels including Recreational, Pre-Competitive, and Competitive dance. We teach all styles of dance: Ballet, Pointe, Tap, Jazz, Contemporary, Lyrical, Hip Hop, Acrobatics/Gymnastics. Each summer, multiple guest master teachers are invited to the studio to teach diverse styles of dance.

Competition has been at the forefront and an integral part of SheLor’s dance training. Together with SheLor’s excellent teachers and dedicated students, we have achieved high honors at regional and state competitions with even a world nomination along with title award winners and choreography awards! We have also received ADCC Studio of Excellence Award from Headliners Dance Competition who is a proud member of the Association of Dance Competitions and Conventions. It is given to “the studio that best exemplifies the values of the ADCC – working together and striving for excellence”. A “standing ovation” is well deserved to our students and teachers for their achievements.

The Royal Academy of Dance (RAD) is the foundation of SheLor’s classical ballet training. RAD is an internationally recognized ballet syllabus that requires rigorous teacher adjudication and yearly education of Registered Teachers. Miss Lori has been a registered RAD instructor for over 35 years and believes strong ballet training is the foundation of dance. All SheLor students are trained in this syllabus and Pre-Competitive and Competitive students undergo formal examination. Miss Lori is pleased to say hundreds of students have examined in the RAD syllabus.

40 Years of Teaching...

As I reflect on my past 40 years, I am so appreciative to have been graced with devoted and dedicated teachers and staff. SheLor is in a unique position to have all of our teachers be former alumnae carrying on my tradition of excellence throughout the generations. From the bottom of my heart... "TY!" - Miss Lori

Shannan

Your dedication and commitment continues to shine through your love of dance.

Kristen

Your discipline, energy, and striving for perfection only further elevates our students.

Rochelle

You embody SheLor's idea that "Dance is for Everyone!" You serve as a wonderful mentor to our students.

Sara

Your passion for dance is embodied through your creativity to choreograph artistically.

Lucy

You brought an athletic style to the studio and continue to push students through your own demonstration.

Evie

You embrace SheLor's pursuit of excellence by helping students achieve their full potential.

Kelly

Your drive and ambition is exemplary and your passion for ballet is invaluable.

Emily

I am proud to have you on board as a teacher so that your talents can be shared with all of our students.

Makayla

Thank you for enriching our dance programme. Your profession as an occupational therapist is an example of the impact that dance has on someone's life.

Lisa

What can I say... We've been through so much together. Thank you for being my right hand woman.

What I've learned is that everyone is a real person with their own story. I have nurtured countless students through their dance journey. Not only do I feel joy as they progress through the world of dance, but I see their pride as they achieve their goals. The joy of a successful performance is irreplaceable. Whether it is fostering a young student who wants to be a ballerina or elevating an older student who envisions themselves on Broadway; dance is for everyone. It leaves a permanent impact in the heart of the dancer and is a gift for all to see.

Dedication

Rosalie Portman

1938 - 2010

My Mom shared my passion for dance and left me with a gracious heart and cherished memories.

This dance recital is dedicated

to the memory of my sister, Shelly G. Portman. Her movements I see, and the rhythms I feel. I foster her talents in dance and acknowledge her as a visionary of SheLor School of Dance.

Deeply missed,
Your Sister

“Music: when soft voices die, vibrates in the memory..”

A Special Thank You

to our Student Assistants in our new Adaptive Dance Program, lead by Miss Makayla: Natalee Barnes, Ava Hindman, Leah Poskin, Lucy Scialabba

Where has the time gone..?

SheLor was born out of wanting to make a difference and have all students experience the love of dance. I am still encouraged by the memories of my beloved sister and support I always received from my mother. I have loved these 40 years where I've been blessed to experience uniquely talented students and transfer my embracement of dance to the younger generation. I am so thankful to YOU, parents & students, for this time. I look forward to the next phase as the title says

“40 years in the Making”.
