## Sparkle Pink Club Chapter Leader Do's & Don'ts

In order to provide a safe, uniform, and orderly club experience for every Sparkle Pink Club member and leader around the world we must keep the following guidelines in place.

- ★ Do make a point to meet parents and caregivers. Connecting is community.
- ★ Do make time to elevate and recognize the accomplishments of the girls in Pink Club.
- ★ Do not use the club, its members, or parent list to share business opportunities, invite to events or otherwise gain from their membership.
- ★ Do not hold the meetings longer than scheduled.
- ★ Do not reprimand or discipline volunteers and helps members.
- ★ Do not discipline or reprimand girls. If there is a behavior issue share it with the parent or caregiver.
- ★ Do not collect, keep and use Chapter Dues for personal gain, expenses, or reimbursements.
- ★ Do not compete with Sparkle Pink Clubs by forming your own exact or similar group. (See Non-Compete Agreement)
- ★ Do not allow Sparkle Pink Club members to sleep over, take up residence, or otherwise live with you or any member of your family.
- ★ Do enjoy every moment you invest in the lives of girls.

## THE PURPOSE OF SPARKLE PINK CLUB DUES

*“Very often the ones who need us the most can’t afford our programs. We exist to help them.” -Mrs. Deria*

Thank you so much for joining The Sparkle Pink Club for Girls. We are so happy you get to experience our glitter-filled amazing realm. The difference between us and other organizations is that we reach girls younger, starting at age three. We get there early enough in life to place a dominant thought of self-value and worth so that they make choices based on this premium value. We use monthly chapter meetings, live events, specialized resources, and social media interaction to get our message out to the world. Our clubs are growing and more girls are joining every day.

In order to run the National organization, fund conferences, field trips, and monthly meetings we need a steady stream of income to help all the clubs grow. The best way we have found to jump-start that is through the use of club membership dues. Dues will help the local chapter and national headquarters meet their goals. Each chapter forms with 10 girls and our goal is to get them to 100 as quickly as possible.

Girls, moms, dads, and caregivers can bring dues to their monthly meeting and a friendly treasurer will safely take the payment. It is simple and easy and helps us do good work. If you have any questions or concerns about dues you can always call us at 1 (810)732-5880, we are happy to help.

Monthly dues are \$2.00 or more. A parent or caregiver can choose to give more than the minimum at any time- it all goes to help Sparkle Pink Club. We want to have clear communication and understanding. Our organization operates with a great deal of integrity.

See, the “COLLECTING DUES” Fact Sheet to get the details on how to quickly and efficiently collect and process monthly dues for your Sparkle Pink Club Chapter.

## HOW DUE'S WORK

1. Dues are \$2.00 or more per girl per month. That is a minimum of \$24 per girl per year. There is no maximum, as every dollar helps so much.
2. Parents and caregivers can pay all at once or break it up, whichever works best.
3. No girl can be excluded from club membership for overdue payments nor can any girl be turned down who cannot afford dues.
4. A separate and PRIVATE list of girls who cannot afford to pay should be kept as a record in each club.
5. Our national headquarters does need to know the number of girls per club who do not pay dues as this helps plan annually to subsidize with donations and properly plan fundraisers.
6. At no point should there be a roll call of girls who have not paid, missed payments, or who cannot afford dues. Communicate dues with adults.
7. There is a discount for sibling groups. After the first girl each additional sibling is only required to do a minimum of \$1.00 for each additional girl.
8. There are so many single moms and families on a budget. It is not our desire to have club dues be a deterrent to reaching whole families.
9. This discount is not extended outside of sisters.
10. Sibling groups can declare a limit to their ability to pay beyond the first girl.

### Example: THREE SISTERS

First Sister=\$2.00

Second Sister=\$1.00 Third Sister= \$1.00

Total Minimum Monthly Dues= \$4.00

Total Annual Minimum All Girls= **\$48**

## COLLECTING DUES

Collecting dues should be a quick and efficient process during monthly meetings.

The Sparkle Pink Club Treasurer should collect dues at open or close. Whichever works best for your club.

At no point should the collection of dues exceed 10 minutes of your monthly meeting time.

Our primary focus should be sharing the life-changing lesson with the girls, elevating their esteem through recognitions, and enjoying a treat as sisters. As the Sparkle Pink Club Chapter Leader, it is your responsibility to ensure the atmosphere steers toward this at all times.

Here are the ways to quickly and efficiently collect dues:

1. Cash: Treasurer record amounts and follows submitting dues guidelines. Leader deposits and sends in difference.
2. Checks: Checks should be made payable to Sparkle Pink Club. All checks must be mailed to our headquarters: Sparkle PINK 2430 Dutcher St. Flint, MI. 48532
3. Cash App: Direct cash app payments can be made. Be sure to check with your Chapter Leader for the Cash App name.
4. Online via Paypal: [www.sparklepink.org](http://www.sparklepink.org). Have parents and caregivers print or screenshot their amount and confirmation for your treasurers' records.

*We teach girls how to be AMAZING!*

SPARKLE & SHINE

**Dear**

Sparkle Pink Club for Girls is an organization focused on teaching girls ages 3-13 how to be amazing! Our mission is to elevate, build self-esteem and empower girls to make bigger, better choices that set them up for a powerful life.

Sparkle Pink Club prepares young girls via live events, monthly chapter meetings across the United States, and in a fresh and active online community. Girls are exposed, enlightened, and ultimately elevated in order to develop the capabilities that will allow them to live up to their full potential. Young girls grow up to be women. We need them strong and capable of great things.

Girls who participate in Sparkle Pink Conferences are rewarded with tools such as confidence, knowledge, and self-esteem, which empowers them for future goals in their life. Sparkle Pink raises awareness and brings creative projects that will provide help with understanding issues that surround them daily.

The clubs' vital tools are educating and modeling young girls on what confidence and esteem are all about. We invite you to become a sponsor. One of the primary sources of funding for our organization is sponsors such as yourself. Your sponsorship to our 501 (c3) organization will help us continue to host standing-room-only conferences around the country and send aid, hygiene, and craft supplies to chapters around the nation. Enclosed please find more information about our sponsorship levels. Please, do not hesitate to contact me with any questions or concerns. I look forward to speaking with you at your earliest convenience.
