WHY CHOOSE SAUDER?

ABOUT OUR COMPANY

For over 85 years, we've been making furniture with the same integrity, craftsmanship, and care. Sauder is a family owned (third-generation) company based in Archbold, Ohio. With some of the most technologically advanced equipment in the world, our facility (located on the same site pictured above circa 1937) features nearly 4 million square feet of manufacturing space, 1.2 million square feet of warehouse space, and employs about 1,400 workers. We pride ourselves on excellent customer service and fast turn-around time.

Sauder Cabinetry is a part of Sauder Building Products, our division committed to providing value, quality and environmentally conscious interior laminate products to the professional building materials market.

SAUDER CABINETRY DETAILS

DESIGN

Sauder Cabinetry can be priced and designed in the industry-leading 2020 Design software. Visit saudercabinetry.com to download our 2020 Design catalog. *2020 Design License required for use.*

KITCHEN CABINET MANUFACTURERS ASSOCIATION.
ENVIRONMENTAL STEWARDSHIP PROGRAM (ESP).
ALL PRODUCTS IMPACT THE ENVIRONMENT.
FOR ESP PROGRAM CRITERIA, VISIT KCMA.ORG

KCMA ENVIRONMENTAL STEWARDSHIP CERTIFICATION

At Sauder, we support and encourage responsible forest management practices that promote sustainability and result in long-term economic and environmental benefits. The KCMA Environmental Stewardship Certification proves our commitment to the intelligent use of our natural resources.

5 Benefits of KCMA Environmental Stewardship Certification

- Safe Air Quality & Pollution Prevention
- Sustainable Product Resource Management
- Waste Minimization
- Environmental Stewardship
- Community Service

ORDERING

ONLINE DEALER PORTAL

Sauder's online Dealer Portal allows customers to place orders, track shipments, lookup invoices, download our 2020 Design catalog, and other marketing and specification details. New customers will be given a login at the time accounts are setup.

SET UP AN ACCOUNT

Work with your local sales rep or contact us at saudercabinetry@sauder.com or **(419) 446-3429** to set up an account.

EMAIL ORDERS

Email saudercabinetry@sauder.com. Email orders can be accepted 24 hours a day; however, email orders received after 3:00PM will not be processed until the next business day.

When submitting email orders, Sauder Cabinetry prefers the following formats:

- 20/20 generated CSV output
- Provided Microsoft Excel® form

FAX ORDERS

Fax orders to (419) 446-4911.

SHIPPING

Cabinets ship fully assembled and ready for install. Freight can be arranged by the customer or by Sauder Cabinetry.

EVOLVE COLLECTION

THE NEXT STEP IN FRAMELESS CABINETRY

Evolve, an unparalleled product line that embodies sophistication, durability and cutting-edge design. With a commitment to excellence, Sauder Cabinetry has created Evolve to meet the evolving needs of developers, builders and contractors alike.

EXCEPTIONAL CRAFTSMANSHIP

Each component in the Evolve collection is crafted with precision and attention to detail, ensuring longevity and enduring beauty.

INNOVATIVE DESIGN

Evolve brings a fresh perspective to builder grade; featuring modern aesthetics and versatile styles that effortlessly complement any kitchen or bath.

DURABLE MATERIALS

Sauder Cabinetry understands the importance of durability in high-traffic areas. Evolve cabinets are constructed with Sauder Cabinetry's DuraGuard™ finish, guaranteeing resilience against daily wear and tear.

MORE CHOICES

Evolve wall cabinets, base cabinets, linen cabinets, vanity cabinets and utility cabinets come in four woodgrain and four solid color finishes.

INSET LOOK

Coordinated end panels in each finish complete the inset appearance of this cabinetry and allow for easy finish changes later.

FLEXIBILITY FOR THE FUTURE

Evolve gives developers and homeowners the fastest and least expensive way to refresh a kitchen in the future. Swap out end panels and fronts with a new color without having to remove or modify any cabinetry.

STYLE AND COLOR

SLAB STYLE DOOR & DRAWER FRONTS

Featuring modern aesthetics that complement any kitchen or bath style.

Door and drawer fronts are 360° wrapped with DuraGuard™ laminate. DuraGuard™ electron beam cured coatings are engineered to exceed KCMA stain test standards.

HIGH QUALITY CABINETS

We took more than 85 years of manufacturing and furniture experience and developed a high quality, full access cabinet with premium details not found in other similarly priced cabinets. This means more finished edges, fewer visible seams, and our DuraGuard™ laminate finish with the appearance of a painted cabinet. In addition, KCMA's rigorous, in-laboratory compliance program measures the integrity of our cabinets through tests covering cabinet structure, door and drawer operation, and cabinetry finish.

CABINET DETAILS

Note: End of run requires separate 1/2" color matched end panel with or without toekick which can be specified.

HIGH QUALITY DRAWERS

Using a unique automated manufacturing system developed in house we created our Infinity Drawer. Why the Infinity Drawer? Because its front, sides and back are 1 piece wrapped around, fully capturing, a 1/2" drawer bottom to create a very strong drawer with a clean exterior look. Undermount slides even for our standard drawer are yet another feature Sauder Cabinetry offers at a value price point

INFINITY DRAWER ∞

DESIGN INSTALLATION SPECIFICATIONS

USE FULL SIZE END PANELS TO CAP CABINETS AND CREATE AN INSET LOOK

END PANEL INSTALLATION IS USED ON BASE CABINETS AND WALL CABINETS

- Clamp the panel in place near the screw.
- Screw from inside into the panel. Specific screw- white wafer head- 1" long. 4 screws per panel. 2 front and 2 back.
- Use existing holes or predrill.
- Make sure panel is flush to the drawer and door fronts.
- Wall-aligning the bottom to be flush with the cabinet.

USE NARROW END PANELS TO CAP AREAS AROUND APPLIANCES

NARROW PANEL INSTALLATIONS- APPLIANCE CAVITY: OVENS, DISHWASHERS, ETC.

- Clamp the panel in place.
- Same wafer head screw. 2 screws is sufficient.
- Make sure it's flush to the drawer and door fronts.

DOUBLE END PANELS CAP TWO SIDED ISLANDS

ISLAND PANELS

- Large (back to back base cabinets) and small (back to back vanities) 8 total screws per end panel.

CORNER CONFIGURATIONS

L-SHAPED FILLER PANELS

- L-Shaped filler offered for Evolve to finish cabinets that end at walls or to create "dead space" corner configurations. See page 49 (L-Filler scenarios) for visuals and additional L-Filler uses.

FINISH BRIDGE CABINETS WITH PRE-CUT BRIDGE PANELS

BRIDGE CABINETS

- Most bridges are 24, 30, 36, 39. Use the appropriate height side panels and install horizontally to match the cabinet width.
- Installation- Install a side panel horizontally to the underside of the bridge cabinet. Cut to height side panels to finish adjacent cabinets.
- Option to put a shelf under the refrigerator bridge cabinet or not.

OTHER WALL CABINET INSTALLATION TIPS

MICROWAVES (TWO OPTIONS)

1. Full panel between the bridge cabinets.
2. Or cut a small panel below it.

CABINET DIMENSIONS

• ADA Height 32.5"H Vanity Base Cabinets also available

CONSTRUCTION SPECIFICATIONS

FRAMELESS CONSTRUCTION

All cabinets are frameless, with full access and full overlay styling. Panels and rail components are joined with engineered dowels, glue, screws or a combination of those components appropriate to the typical use of the cabinet. All frameless case construction is made from commercial grade furniture board with DuraGuard™ laminated, water resistant surfaces. Filler is recommended for all cabinet runs to allow for tolerance stack up.

CABINET CONSTRUCTION	
Back	5/8" furniture board; White DuraGuard™ laminate
Side Panels	5/8" furniture board; White DuraGuard™ laminate exterior and white front edge, white interior
Top/Bottom	5/8" furniture board; White DuraGuard™ laminate exterior and white front edge, white interior
Stretcher	5/8" furniture board; White DuraGuard™ laminate
Toe Kick	5/8" furniture board; White DuraGuard™ laminate
Shelves	Half depth adjustable 3/4" furniture board; White DuraGuard™ laminate
Hinges	6 way adjustable, fully concealed soft close steel hinges
Interior	White DuraGuard™ laminate finish
End Panels	1/2" thick furniture board, DuraGuard™ double sided laminate with color matched 4 side plastic edgeband

CARE & CLEANING

For normal spills, a damp cloth is sufficient. Remember to dry the surface immediately. 360° wrapped DuraGuard™ laminate doors can be cleaned with most general purpose household kitchen or bath cleaners. Do not use strong acids or caustic agents and/or abrasive scrubbers. Nicks and dings can be repaired with touch-up kits. Cabinet interiors can be cleaned with a damp sponge, a cloth using soapy water, or most general purpose household cleaners. Do not let liquids stay on the surface for a long period of time.

SAUDER CABINETRY IS TSCA TITLE VI COMPLIANT

All Sauder Cabinetry meets or exceeds the standards set forth by TSCA TITLE VI for formaldehyde emission standards which are identical to CARB limits.

INDOOR AIR QUALITY

INSTALLATION SUGGESTIONS

HINGE ADJUSTMENTS (FIGURE 1)

Soft close hinges can be adjusted six ways. Adjust doors left and right with screw A. Adjust doors in and out (closer or further from the face of the cabinet) with screw B. Adjust doors up and down by loosening screw C on all door hinges; then, turn screw D the same direction and the same amount for each hinge.

DRAWER FRONT ADJUSTMENTS

Loosen wafer head screws slightly on inside of drawer box. Adjust drawer front as necessary and re-tighten screws.

FILLER STRIP INSTALLATION

For optimum installation, drill a pilot hole at least 1" deep (or to the full depth of the screw) using a 1/8" drill bit. Use a #8 screw at least 1 5/8" long. *Note: failure to drill a pilot hole will result in MDF splitting. Common screw types such as drywall, decking, construction, cabinet, and trim screws can be used; however, screws with self-drilling tips are best to minimize the risk of splitting the MDF. Filler is recommended on all cabinet runs to allow for tolerance stack up which can result in increased widths. See page 49 for specific L-Filler installation configurations.*

BINDING POSTS

To best align and secure cabinets together, drill through unused shelf pin holes with a 1/4" bit, and secure the cabinets with binding posts through the holes.

MOUNTING SCREWS

Recommend using at least 3" mounting screws into studs for all Wall Cabinet installations. WMS screws available.

WARRANTY

LIMITED 1-YEAR WARRANTY

-

WARRANTY LIMITATIONS & EXCLUSIONS

-

WARRANTY PERFORMANCE

-

Sauder Cabinetry warrants its products to the original purchaser to be free from all defects in material and workmanship under normal use for a period of one year from the original purchase date. Items included in this warranty are cabinet boxes, doors, drawers, shelves, and any accessories that are manufactured by Sauder Cabinetry. Any accessories and other products sold with or as part of any of the above-mentioned products that were not manufactured by Sauder Cabinetry are excluded from coverage by this limited warranty.

This warranty does not cover any misuse, abuse, neglect, improper storage, exposure to moisture or extreme temperatures, improper installation, improper maintenance, or acts of God. The warranty does not apply to items that have been modified from their original form. In addition, this warranty does not cover any wear or deterioration resulting from natural aging, including expansion, contraction, hairline cracks or minor separation of seams. This warranty shall not apply in situations where loading or performance expectations exceed the Kitchen Cabinet Manufacturers Association testing and certification standards. In addition, this warranty does not cover products used in conjunction with Sauder Cabinetry cabinets, such as appliances, counter tops, or plumbing fixtures. No installer, retailer, distributor, or agent has the authority to alter the obligations or limitations in this warranty.

Sauder Cabinetry will not provide or pay for the cost of removal of defective product, transportation and shipping of defective, repaired or replaced product or installation of repaired or replaced product, regardless of whether the work is performed by a contractor, service company, or consumer. If the defective item is discontinued or not available, Sauder Cabinetry reserves the right to replace the item with the most similar item available at that time. Sauder Cabinetry may require, at its discretion, that the customer submit a clear photo, or that the installer, contractor, or service company view the item being claimed before honoring the warranty. Sauder Cabinetry must be notified in writing, within 90 days after discovering any defect in order to receive limited warranty coverage.
