

Aircraft Rental Fees

Aircraft	Tail Number	Type	Rate
1979 Cessna 172N	N7366D	ASEL (single engine)	\$155.00/hr.
1981 Cessna 172P	N53742	ASEL (single engine)	\$155.00/hr.
1977 Cessna 172N	N737DW	ASEL (single engine)	\$155.00/hr.
1966 Piper PA-30	N8267Y	MEL (multi-engine)	\$290.00/hr.

All aircraft rates are considered “wet” (inclusive of fuel costs)

Any fuel purchased away from home base (William J Fox Airfield) will be reimbursed at the rate paid or what is current at WJF (whichever is less).

Instructor Fees

Private Pilot/VFR Single Engine	\$75.00/hr.
IFR/Commercial Ratings Single Engine	\$80.00/hr.
Multi Engine	\$90.00/hr.
Multi Engine “Safety Pilot Program” <i>(for rated pilots, time building purposes only)</i>	\$60.00/hr.

MH Aviation Inc. requires all student pilots and pilots interested in renting aircrafts to obtain a Non-Owned Aircraft Insurance for the make and model of aircraft that will be used or rented.

Please see MHA’s renter agreement for details.

A checkout by an approved MH Aviation Inc. instructor is required prior to any pilots renting an aircraft for the first time.

Aircraft away from home base, but not being flown, is subject to a daily minimum fee and availability. Maximum rental periods may apply.
