Immanuel—God with Us?

‘The virgin will conceive and give birth to a son, and they will call him Immanuel’ (which means ‘God with us’) (Matthew 1:22–23)

At TLC we really do believe God is with us. 2022 has been a year with several challenges and transitions and we have experienced a lot of growth as part of that process. We have seen “God with us” through those times and in how he is working in the lives of residents as well as staff.

We had a celebration this year at Thanksgiving. On the day our residents shared Thanksgiving dinner we had six residents choose to proclaim their faith in Christ by being baptized. This is the first time we have held a baptism service at TLC which made it a very exciting day for us.

I continue to recognize that it takes time, energy, and persistence for not only our residents, but for all of us to be “Transformed”. We praise God for his faithfulness through this past year and are confident of it in the coming year.

Merry Christmas and a Blessed New Year!
