# ***Testimonials From Students***

My name is Jeremy Hopper and I was addicted to alcohol and with that included living a reckless and rebellious lifestyle. I was facing time in prison. For the first time in my life I prayed to God for help to get me out of this trouble I found myself in. Shortly after this I filled out an application for the TLC program and was accepted. It wasn't a few months later I figured out that God answered my prayers. Since being at TLC God has answered so many prayers of mine. He has me seeking Him everyday. God has moved so much in my life that he has my wife and kids seeking Him also. He has shown me what a man in this broken world is supposed to be. He has brought a special kind of love and peace in my life that I have never experienced before. I can never thank God, TLC, and Pastors enough for what they have done for me.

My name is Jesse Pittman and I was an addict to drugs and alcohol along with a reckless and rebellious lifestyle. I knew that I had a problem but I had no idea how or what to do to get the help I needed. As I sat in Dewey county jail I heard of a Christian based program called TLC. I wasn't sure what to expect but I knew I couldn't do this on my own. I filled out an application and within a week I was on my way to TLC. I had been at TLC two weeks and had been speaking to a man named Mark Byfield and he helped me understand that God was calling me to Himself. I repented of my sins and asked Jesus into my life. Jesus has helped me to get my relationship back with my wife and children. I just want to give a huge thanks to all who help run and keep TLC open. TLC has helped me to get an amazing relationship with God and I am so thankful. Thank you to all the teachers and instructors who have taken time out of their lives to help us in our walk with Christ.
