TEAM BUILDING

Better Communication. Stronger Teams. Seriously Fun.

Understudies uses interactive improv games and exercises to strengthen communication, collaboration, leadership, adaptability, and trust. No acting or improv experience is required—just a willingness to participate, connect, and have some fun along the way.

>>> 60-Minute Team Workshop — Starting at \$1,500

- A fast-paced, interactive experience designed to get your team communicating, collaborating, and thinking on their feet.
- Perfect for conferences, company meetings, retreats, employee events, and teams looking for an energizing shared experience.

>>> 90-Minute Team Workshop — Starting at \$2,000

- Go deeper with additional exercises focused on communication, active listening, collaboration, adaptability, trust, and creative problem-solving.
- The extended format allows our facilitators to connect what happens during the exercises to situations teams encounter in the workplace.

>>> 2-Hour Team Workshop — Starting at \$2,500

- Our most comprehensive team-building program.
- Participants move through a series of interactive exercises and team challenges combined with facilitated discussion and reflection.
- The experience can be customized around the skills and objectives most important to your organization.

WHAT YOUR TEAM WILL BUILD
