# THE UNDERSTUDIES

***“Completely Unscripted, Potentially Funny”***

Looking for a night of polished, perfectly rehearsed comedy  
where every joke lands exactly as planned?

***Yeah... this isn't that.***

No script. No guarantees. All Improv. We take suggestions straight from the audience—which means  
the show is only as good as your ideas. So... no pressure.

Every scene, character, and questionable accent is made up on the spot. Sometimes it's brilliant.  
Sometimes it's... memorable. Either way, it's happening live, and there's no undo button.

***The upside? You'll never see the same show twice.***

***The downside? Neither will we.***

Come for the improv. Stay because you're seated in the middle and it would be awkward to leave.
