

# Family Time

Baptism- Part 2  
Confirmation- Lesson B2

**Family Time is meant to be an opportunity to get the family talking about spiritual things. Multiple studies show that parents and grandparents are the #1 faith role models in a child's life. We know life is busy, but we want to give you opportunities to grow together. The best time to do it is together in the car, while eating a meal together, or simply anytime you can spend some time together.**

- 1) Have your parents tell you about the first new house or car that they ever bought. What was it like? How old were they? What feelings did they experience?

---

---

---

---

---

**Weekly  
Memory Verse:**

*"Therefore, if anyone is in Christ, he is a new creation. Behold, the old has passed away, the new has come!"*

**2 Corinthians 5:17**

- 2) What "new" thing have you bought recently? What are some of the reasons "new" may be better than "old"?

---

---

---

---

---

---

**3) Read Galatians 5:16-26.**

**List all the qualities of the “old”, or sinful, self *(if there are any that you don’t understand ask your parents to help explain it to you.)***

---

---

---

---

---

**List all the qualities of the “new”, or Spirit-filled, self:**

---

---

---

---

**4) In the space below, draw a timeline of your life from birth to today. Plot significant events on it and try to show how your “new” self has been impacted by God’s presence in your life. Make sure to include your baptism on it.**

**For Further Study...** (an optional section for families that want to go deeper)

Read together John 3:1-15. What does this say about the need for baptism? Why can’t we save ourselves and earn eternal life? What things does it say are necessary in order to be born again? When we receive the Holy Spirit at our baptisms, how are we different? See 1 Corinthians 3:16-17. What does it mean for you that God lives inside of you?
