

Essex Coarse Angling Society

- Issue: January 2026
- Email: fishing@ecas.club
- Web: www.ecas.club

COMMITTEE MESSAGE

Dear members, the committee hope you had a Merry Christmas and wish you a Happy New Year. This is our second year as a joint club and we are going from strength to strength

FEES

Our fees for 2026 are as follows:- Adult £90 and Adults who have reduced fees will be increased to £85 and juniors will remain £5. Guest tickets remain at £10 which is great value.

The committee has been working hard to develop a seamless web based way to renew your membership and also pay online. The ECAS web page will have a second banner, where you can upload your details and photograph under the new membership section. We understand some members will feel uncomfortable doing this or have not got internet access. In this case you can send in your details on a new membership form, with your payment and new photograph. We would ask that you do not send in your form until the website is up and ready.

AGM

Our AGM is February 10th, Saxon Hall, Aviation Way, Southend on sea at 7.30. The bar opens at 7.00. All committee members as standing for re-election except where shown below

FISHERY NEWS

We had a delivery of fish to our C86 water totalling £5000. This consisted of bream, and different sizes of carp.

We are expecting a delivery of tench and bream to our Beauchamps Fishery.

The EA are also giving the club a selection of bream and roach which will be split between C86 and Beauchamps.

A lot of work has been carried out at all our fisheries, where all fishery managers and helpers have been very busy especially at Beauchamps where a tree had fallen down into the small lake but all is now clear.

Also C86 water, where Dave has been working tirelessly removing dead trees, bushes and he even went over the Christmas period to clear a fallen tree.
