Keith Lambird:- 07582 832328, keithlambird@hotmail.co.uk
- For the Tuesday matches the limit on match anglers will be set at 15, so that remaining swims will be available to members not fishing the match.
- The draw for pegs will be undertaken by the organiser the previous day.
- Give your name to the match organiser and put your money into the container provided. YOU MUST HAVE THE CORRECT MONEY, NO CHANGE WILL BE GIVEN!!
- Your previously selected peg will be allocated, then go directly to your swim, do not loiter in the car park area. Keep the thoroughfare behind your peg clear, only start setting up anything that may block the pathway once everybody is in their pegs.
- Once the match has finished, please pack away as normal but stay in your swim. Keep the thoroughfare behind your peg clear, if you are not weighing in please go back to your car and leave venue.
- When the scalesman and the guy on the board arrive in your peg, ensuring safety and adherence to social distance guidelines, the cradle will be placed in your peg, the scalesman will then stand back and ask the angler to empty their net into the weigh bucket. The angler will NOT touch the bucket and will stand back for the scalesman to lift the bucket onto the scales and the scalesman will return the fish to the lake. The process will be repeated if there are more than one keepnet.
- Once you have weighed in go back to your vehicle, provided the way is clear of others, otherwise wait until it is clear.
- Do NOT follow the weigh in.
- Once you have loaded your vehicle please leave the venue.
- The results will not be published at the match, but you will be published later via website or facebook. This is to ensure people do not congregate in the car park awaiting the results.
- The winners will collect their winnings either at the next match, or another convenient time. This will allow us to not touch the money for a number of days.
- In addition to all of the above the clubs general Covid guidelines, POAS general club and match rules all remain in force.
