FISH DELIVERY AT BEAUCHAMPS

We have received a fish delivery to our Beauchamp's Fishery from Jon Wall Fisheries Ltd, which consisted of 300 x 6" to 8" Bream and 200 x 6" to 8" Ide. These all went to the main lake.

A further 100 x 4" to 6" crucian carp and 10 bream of about 2lbs went into the small lake.

These were all healthy quality fish and were from a fish breeder we have used and trusted in the past. Our thanks go out to all members who have made donations during the year. Without your generosity stocking fish of this quantity and quality would not be possible.
