

## **Covid 19 Additional Fishery Rules**

All measures below are to be adhered to until further notice to ensure our members keep safe, so please ensure that you have read all of them and understand what is required of you.

- Guest permits, will be available as before from Pete's Tackle, Rochford Road, please produce your membership book on collection.
- Members are advised to arrive on their own and only to travel with anyone from their own household.
- Members are encouraged to leave suitable space (approx. 2m) in between cars if possible.
- Open for fishing only, NO walking around lakes, only walking to and from your chosen swim, once at your swim please remain in that swim.
- Never congregate in groups of more than six people, following social distancing guidelines.
- If the car parks are full please leave and try again another time or another day.
- We expect all members to bring disposable gloves and anti-bacterial hand sanitiser to use when handling, gates, locks and other surfaces that you may come into contact with.
- Toilet facilities will be open but ensure that you follow the instructions for use on notices inside the cubicles.
- All swims can be used providing government guidelines are adhered to.
- No sharing of tackle
- All members must follow the Government Guidelines on social distancing on our waters, keeping well away from other members and respecting their space.
- All members must have on their person, current Membership Book and EA Fishing Licence. You may be asked to show these at any time.
- POAS general fishery rules must be adhered to other than any alterations above.

The committee will continue to review the above changes and guidelines on a regular basis and will update them as and when deemed necessary.
