IT'S NOT UNUSUAL II

(Music: 'It's Not Unusual' by Tom Jones, 2:04 Studio version)

It's not unusual

To look for love at any time

It's not unusual to

Wanna gamble with a dime

But you should know that in love the stakes are always high

It's not unusual to see me fly

I never wanna die (0:35)

It's not unusual to

Be thinking of a crime

Cause when I see you out and about

I lose my mind

So don't you ever think of going out there to play
It's not unusual
For me to go insane
Listen to what I say (1:00)

When love seems to have lost its day
You can always still
Find your way uphill (1:10)
You're the only one that I I can find
It's not unusual to
Be glad with anyone
It's not unusual to
Be bad with anyone (1:39)

But love will always shine
Love me please don't change your mind
It's not unusual
You know that I belong to you
Whoa whoa oh oh whoa whoa
